प्रकरण क्र () :- टँकर पुरवठादार यांचे टँकरपुरवठ्याचे दर निश्चित करून पॅनेल तयार करणे या कामास आर्थिक व प्रशासकिय मान्यता मिळणेबाबत.

मिरा-भाईंदर महानगरपालिका क्षेत्रातील नागरीकांना पिण्याकरीता शुद्ध पाण्याचा भाईंदर (पुर्व) येथील फाटक जलकुंभावरून पाणी पुरवठा करण्यात येतो तसेच महानगरपालिका हद्दीतील बांधकामांकरीता मिरारोड (पुर्व) हाटकेश, 15 नंबर बस स्टॉप येथील TTP Plant वरून पुर्नप्रक्रिया केलेल्या पाण्याचा टँकरद्वारे पाणी पुरवठा करण्यात येतो.

मा.स्थायी समिती सभा दि.16/08/2018 ठराव क्र.49 व मा. महासभा दि. 31/01/2020 ठराव क्र. 84 अन्वये महानगरपालिका क्षेत्रातील नागरीकांना आवश्यकतेनुसार प्रति टँकर रु.1000/-, महानगरपालिका क्षेत्रातील झोपडपट्टी परिसराकरीता प्रति टँकर रु.500/- प्रमाणे शुद्ध पाण्याकरीता शुल्क आकारण्यात येत आहे व आदिवासी पाडयांकरीता मोफत टँकर पुरवठा करण्यात येत आहे. तसेच बांधकामासाठी व इतर वापरासाठी पुर्नप्रक्रिया केलेले पाणी रु. 700/- प्रति टँकर शुल्क आकारले जात आहेत.

सद्यस्थितीमध्ये टँकर पुरविण्यात येणाऱ्या ठेकेदारास रु.732/- प्रति टँकर अदा करण्यात येत आहे. त्यामुळे झोपडपट्टी करीता व बांधकामाकरीता होणाऱ्या टँकरपुरवठ्यामध्ये महानगरपालिकेस आर्थिक नुकसान होत आहे.

त्यामुळे महानगरपालिकेस होणाऱ्या आर्थिक नुकसान टाळणेकरिता व टँकर पुरवठाची निविदा प्रतिवर्षी काढून देयक अदा करणे यासारख्या बाबी टाळणेकरिता टँकरपुरवठादारांचे टँकरपुरवठ्याचे दर निश्चित करून पॅनेल करणे व ज्या इमारतीस वा झोपडपट्टीस टँकरची आवश्यकता आहे अशांनी संबंधित पॅनेलवरील टँकर पुरवठादारास संपर्क साधून महानगरपालिकेच्या टँकरपॉईंटवर टँकर पाठवून महानगरपालिकेने मंजूर केलेले प्रति 1000 लिटर पाण्याकरिताचे शुल्क भरणा करून पाणी उपलब्ध करून घ्यावे.

महानगरपालिकेच्या टँकर पॉईंटवरून इमारत/झोपडपट्टी धारकाकडून पाण्याचा प्रति 1000 लिटरला 16 रु. अधिक टँकर भरणा पॉईंट येथे नेमलेल्या कर्मचारी वर्गाचा प्रति 1000 लिटर खर्च 4.50/- रु. असा एकूण प्रति 1000 लिटर पाण्याकरिता 20.50 रु. इतके शुल्क इमारत / झोपडपट्टी धारकांकडून व बांधकामासाठी व इतर वापरासाठी पुनःप्रक्रिया केलेल्या पाण्याकरिता आकारणेस व टँकर पुरवठादार यांचे टँकरपुरवठ्याचे दर मंजूर करून पॅनेल तयार करणे तसेच सदर कंत्राटदार नेमण्यासाठी अटीशर्ती इ. प्रशासकीय ठरावाद्वारे आर्थिक व प्रशासकिय मान्यता देणेस शिफारस आहे.

प्रशासकीय ठराव दिनांक 20/06/2024

प्रकरण क्र. (998) :- टँकर पुरवठादार यांचे टँकरपुरवठ्याचे दर निश्चित करून पॅनेल तयार करणे या कामास आर्थिक व प्रशासकिय मान्यता मिळणेबाबत.

ठराव क्र. (998)

कार्यलयीन प्रस्तावना

मिरा-भाईंदर महानगरपालिका क्षेत्रातील नागरीकांना पिण्याकरीता शुद्ध पाण्याचा भाईंदर (पुर्व) येथील फाटक जलकुंभावरून पाणी पुरवठा करण्यात येतो तसेच महानगरपालिका हद्दीतील बांधकामांकरीता मिरारोड (पुर्व) हाटकेश, 15 नंबर बस स्टॉप येथील TTP Plant वरून पुर्नप्रक्रिया केलेल्या पाण्याचा टँकरव्दारे पाणी पुरवठा करण्यात येतो.

मा.स्थायी समिती सभा दि.16/08/2018 ठराव क्र.49 व मा. महासभा दि. 31/01/2020 ठराव क्र. 84 अन्वये महानगरपालिका क्षेत्रातील नागरीकांना आवश्यकतेनुसार प्रति टँकर रु.1000/-, महानगरपालिका क्षेत्रातील झोपडपट्टी परिसराकरीता प्रति टँकर रु.500/- प्रमाणे शुद्ध पाण्याकरीता शुल्क आकारण्यात येत आहे व आदिवासी पाडयांकरीता मोफत टँकर पुरवठा करण्यात येत आहे. तसेच बांधकामासाठी व इतर वापरासाठी पुर्नप्रक्रिया केलेले पाणी रु. 700/- प्रति टँकर शुल्क आकारले जात आहेत.

सद्यस्थितीमध्ये टँकर पुरविण्यात येणाऱ्या ठेकेदारास रु.732/- प्रति टँकर अदा करण्यात येत आहे. त्यामुळे झोपडपट्टी करीता व बांधकामाकरीता होणाऱ्या टँकरपुरवठ्यामध्ये महानगरपालिकेस आर्थिक नुकसान होत आहे.

त्यामुळे महानगरपालिकेस होणाऱ्या आर्थिक नुकसान टाळणेकरिता व टँकर पुरवठाची निविदा प्रतिवर्षी काढून देयक अदा करणे यासारख्या बाबी टाळणेकरिता टँकरपुरवठादारांचे टँकरपुरवठ्याचे दर निश्चित करून पॅनेल करणे व ज्या इमारतीस वा झोपडपट्टीस टँकरची आवश्यकता आहे अशांनी संबंधित पॅनेलवरील टँकर पुरवठादारास संपर्क साधून महानगरपालिकेच्या टँकरपॉईंटवर टँकर पाठवून महानगरपालिकेने मंजुर केलेले प्रति 1000 लिटर पाण्याकरीताचे शुल्क भरणा करून पाणी उपलब्ध करून घ्यावे.

महानगरपालिकेच्या टँकर पॉईंटवरून इमारत/झोपडपट्टी धारकाकडून पाण्याचा प्रति 1000 लिटरला 16 रु. अधिक टँकर भरणा पॉईंट येथे नेमलेल्या कर्मचारी वर्गाचा प्रति 1000 लिटर खर्च 4.50/- रु. असा

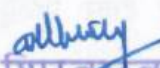

एकूण प्रति 1000 लिटर पाण्याकरिता 20.50 रु. इतके शुल्क इमारत / झोपडपट्टी धारकांकडून व बांधकामासाठी व इतर वापरासाठी पुनःप्रक्रिया केलेल्या पाण्याकरिता आकारणेस व टँकर पुरवठादार यांचे टँकरपुरवठ्याचे दर मंजूर करून पॅनेल तयार करणे, सदर कंत्राटदार नेमण्यासाठी अटीशर्ती इ. प्रशासकीय ठरावाद्वारे निश्चित करणेस मान्यता मिळणेस आर्थिक व प्रशासकिय ठरावाद्वारे निश्चित करण्यास शिफारस असे.

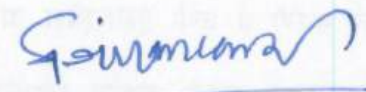

सदर कामास प्रशासकिय ठरावाद्वारे आर्थिक व प्रशासकिय मान्यता देण्याचा प्रस्ताव प्रशासनाने सादर केला आहे.

प्रशासकीय ठराव क्र. ११४ दिनांक २०/१२/२०२४.

दि. 20/08/2024

प्रकरण क्र. 994 :-

सन 2024 मध्ये विविध जयंती व राष्ट्रीय दिन साजरे करण्याकरीता येणारा खर्च/अंशदान प्रदान करणेकरीता नविन लेखाशिर्ष तयार करणे व त्या कामासाठी अर्थसंकल्पीय तरतुदीस मान्यता मिळणेबाबत.

सन 2024 मध्ये राष्ट्र पुरुष/ थोर व्यक्ती यांची जयंती व राष्ट्रीय दिन साजरे करण्याबाबत संदर्भित शासन परिपत्रकांन्वये सुचना निर्गमित करून सन 2024 मध्ये मंत्रालय, शासकीय/निमशासकीय कार्यालयात साजरे करावयाच्या जयंती/ राष्ट्रीय दिन कार्यक्रमांची यादी देण्यात आलेली आहे. त्यानुसार मिरा भाईंदर महानगरपालिकेच्या सामान्य प्रशासन विभागामार्फत प्रत्येक वर्षी जयंती व राष्ट्रीय दिन साजरे करण्यात येतात.

सदर जयंती व राष्ट्रीय दिन साजरे करण्याकरीता सामान्य प्रशासन विभाग लेखाशिर्ष- इतर किरकोळ खर्च/ फोटोग्राफी/ माहिती अधिकार नक्कलप्रत/ झेरोक्स प्रती काढणे अंतर्गत आर्थिक वर्ष 2024-25 करिता एकुण रक्कम रु.25,00,000/- (अक्षरी रक्कम रु.पंचवीस लाख मात्र) इतकी तरतुद करण्यात आलेली आहे. सदर लेखाशिर्षात दि.09/08/2024 अखेरीस एकुण रक्कम रु.2,36,000/- इतका खर्च झालेला आहे. रु.22,64,000/- इतकी रक्कम शिल्लक आहे.

सदर जयंती व राष्ट्रीय दिन साजरे करणे करिता विविध जयंती व राष्ट्रीय दिन साजरे करण्याकरीता येणारा खर्च/अंशदान प्रदान या नावाने नविन लेखाशिर्ष तयार करणे व त्या कामासाठी रक्कम रु.5,00,000/- इतकी अर्थ संकल्पीय तरतुद करणे आवश्यक आहे.

सदरची तरतुद सामान्य प्रशासन विभाग लेखाशिर्ष- इतर किरकोळ खर्च/ फोटोग्राफी/ माहिती अधिकार नक्कलप्रत/ झेरोक्स प्रती काढणे या लेखाशिर्षातून वर्ग करणे उचित होईल.

प्रकरण क्र. :- 994

सन 2024 मध्ये विविध जयंती व राष्ट्रीय दिन साजरे करण्याकरीता येणारा खर्च/अंशदान प्रदान करणेकरीता नविन लेखाशिर्ष तयार करणे व त्या कामासाठी अर्थसंकल्पीय तरतुदीस मान्यता मिळणेबाबत.

ठराव क्र. :- 994

सन 2024 मध्ये राष्ट्र पुरुष/ थोर व्यक्ती यांची जयंती व राष्ट्रीय दिन साजरे करण्याबाबत संदर्भित शासन परिपत्रकांन्वये सूचना निर्गमित करून सन 2024 मध्ये मंत्रालय, शासकीय/निमशासकीय कार्यालयात साजरे करावयाच्या जयंती/ राष्ट्रीय दिन कार्यक्रमांची यादी देण्यात आलेली आहे. त्यानुसार मिरा भाईंदर महानगरपालिकेच्या सामान्य प्रशासन विभागामार्फत प्रत्येक वर्षी जयंती व राष्ट्रीय दिन साजरे करण्यात येतात.

सदर जयंती व राष्ट्रीय दिन साजरे करण्याकरीता सामान्य प्रशासन विभाग लेखाशिर्ष- इतर किरकोळ खर्च/ फोटोग्राफी/ माहिती अधिकार नक्कलप्रत/ झेरोक्स प्रती काढणे अंतर्गत आर्थिक वर्ष 2024-25 करीता एकुण रक्कम रु.25,00,000/- (अक्षरी रक्कम रु.पंचवीस लाख मात्र) इतकी तरतुद करण्यात आलेली आहे. सदर लेखाशिर्षात दि.09/08/2024 अखेरीस एकुण रक्कम रु.2,36,000/- इतका खर्च झालेला आहे. रु.22,64,000/- इतकी रक्कम शिल्लक आहे.

सदर जयंती व राष्ट्रीय दिन साजरे करणे करीता विविध जयंती व राष्ट्रीय दिन साजरे करण्याकरीता येणारा खर्च/अंशदान प्रदान या नावाने नविन लेखाशिर्ष तयार करणे व त्या कामासाठी रक्कम रु.5,00,000/- इतकी अर्थ संकल्पीय तरतुद करणे आवश्यक आहे.

सदरची तरतुद सामान्य प्रशासन विभाग लेखाशिर्ष- इतर किरकोळ खर्च/ फोटोग्राफी/ माहिती अधिकार नक्कलप्रत/ झेरोक्स प्रती काढणे या लेखाशिर्षातून वर्ग करणे उचित होईल.

अ) खालील लेखाशिर्षकातून शिल्लक तरतुद वर्ग करणेकरीता							ब) खालील लेखाशिर्षकामध्ये तरतुद पुनर्विनियोजनासाठी वर्ग							
अ.क्र.	लेखाशिर्ष	मुळ तरतुद 2024-25	झालेला खर्च (जुलै-2024 पर्यंत)	शिल्लक निधी (3-4)	माहे फेब्रुवारी 2025 पर्यंत होणारा अपेक्षित खर्च	उपलब्ध होणारी तरतुद (5-6)	अ.क्र.	लेखाशिर्ष	मुळ तरतुद 2024-25	झालेला खर्च (जुलै-2024 पर्यंत)	शिल्लक तरतुद (10-11)	माहे फेब्रुवारी 2023 पर्यंत होणारा अपेक्षित खर्च	प्रस्तावित वाढीची रक्कम (13-12)	शेरा
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15

विषय :- मिरा भाईंदर महानगरपालिकेतील शिक्षण विभागासाठी ठोक मानधनावर तात्पुरत्या स्वरूपात प्राथमिक व माध्यमिक शिक्षक यांनी सुट्टीच्या दिवशी काम केलेले असल्याने त्यांच्या माहे मे-२०२४ रोजीच्या वेतनाबाबत...

मिरा भाईंदर महानगरपालिका क्षेत्रातील ३६ मनपा प्राथमिक शाळांमध्ये सेमी इंग्रजीकरीता आणि माध्यमिक विभाग इयत्ता ९ वी व १० वी साठी ठोक मानधनावर १० महिन्यांच्या करारावर कंत्राटी शिक्षकांची दि.२७/०९/२०२२, दि.१६/०६/२०२३ व दि.१०/०७/२०२३ रोजीच्या आदेशान्वये नियुक्ती करण्यात आली होती. सदर आदेशानुसार मिरा भाईंदर मनपा आस्थापना विभागामार्फत संपूर्ण भरती प्रक्रिया करण्यात आली असून एकूण ०३ टप्प्यांमध्ये एकूण ६४ कंत्राटी शिक्षकांची मनपा शाळांवर नियुक्ती करण्यात आली आहे.

यापैकी काही शिक्षक नियुक्ती आदेशानंतर शिक्षण विभाग कार्यालयात हजर झाले नाहीत, काही शिक्षकांनी राजीनामा दिला तर काही शिक्षकांनी शासनाच्या पवित्र प्रणालीत शिक्षक भरती झाल्याने सदर शिक्षक शासनाच्या आदेशानुसार दुसऱ्या आस्थापनेवर इतर शाळांमध्ये नियुक्त झाले. यामुळे वरीलप्रमाणे एकूण ६४ कंत्राटी शिक्षकांच्या नियुक्तीपैकी सदस्थितीत ३८ शिक्षक शाळांवर कार्यरत आहेत. असे दि.२८/०६/२०२४ व दि.१६/०७/२०२४ रोजीच्या टिपणीमधून दिसून येते.

तसेच दि.२७/०९/२०२२, दि.१६/०६/२०२३ व दि.१०/०७/२०२३ रोजीच्या नियुक्ती आदेशामधील अटीशर्तींमध्ये ठोक मानधनावर नियुक्त शिक्षकांचा सेवेचा कालावधी सदर आदेशाच्या दिनांकापासून १० महिन्यांसाठी असून शैक्षणिक कालावधी धरण्यात येईल. (सुट्टीचा कालावधी वगळून व त्या सुट्टीच्या कालावधीत मानधन अदा केले जाणार नाही.) तदनंतर सदरची नियुक्ती आपोआप संपुष्टात येईल असे नमूद आहे. मात्र शाळांकडून प्राप्त माहे मे २०२४ च्या हजेरी पत्रकानुसार कार्यरत कंत्राटी शिक्षकांनी काम केल्याचे कळविले आहे. त्यानुसार त्यांना मानधन देणेबाबत शिक्षण विभागाने दि.२८/०६/२०२४ व दि.१६/०७/२०२४ रोजीच्या सादर टिपणीनुसार अहवाल सादर केला आहे.

मिरा भाईंदर महानगरपालिकेच्या शिक्षण विभागामध्ये माहे मे- २०२४ मध्ये प्राथमिक व माध्यमिक शिक्षक ४८ कार्यरत होते. दि.२७/०९/२०२२, दि.१६/०६/२०२३ व दि.१०/०७/२०२३ रोजीच्या नियुक्ती आदेशामधील अटीशर्तींमध्ये ठोक मानधनावर नियुक्त शिक्षकांचा सेवेचा कालावधी सदर आदेशाच्या दिनांकापासून १० महिन्यांसाठी असून शैक्षणिक कालावधी धरण्यात येईल. (सुट्टीचा कालावधी वगळून व त्या सुट्टीच्या कालावधीत मानधन अदा केले जाणार नाही असून नमूद असल्यामुळे त्यांचे माहे मे - २०२४ रोजीचे वेतन अदा करण्यात आलेले नाही. परंतु शिक्षण विभागाने दिलेल्या अहवालानुसार ठोक मानधनावरील माध्यमिक व प्राथमिक शिक्षक यांनी माहे मे - २०२४ मध्ये सार्वत्रिक लोकसभा निवडणूक २०२४ व शिक्षण विभागात कामे केलेली असून त्यांचे माहे मे - २०२४ मधील ठोक मानधन अदा करणे उचित वाटते.

शिक्षण विभागाच्या सन २०२४-२५ च्या मूळ अंदाजपत्रकातील मंजूर तरतूदीनुसार रु.१५० लाख तरतूद करण्यात आलेली आहे. शिक्षण विभागामधील दिलेल्या अहवालानुसार ठोक मानधनावरील प्राथमिक शिक्षक - ३२ यांचे प्रति शिक्षक मासिक ठोक मानधन रु.१५,०००/- व माध्यमिक शिक्षक १६ यांचे प्रति शिक्षक मासिक ठोक मानधन रु.२०,०००/- असे एकूण ४८ शिक्षक यांनी माहे मे - २०२४ मध्ये सुट्टीच्या दिवशी सार्वत्रिक लोकसभा निवडणूक २०२४ तसेच शिक्षण विभागात कामे केलेली असल्याने त्यांच्या वेतनासाठी होणा-या रु.५,००,०००/- (अक्षरी पाच लाख मात्र) इतक्या खर्चास आर्थिक व प्रशासकीय मंजूरी मिळणेस शिफारस आहे.

प्रकरण क्र. ११७:- मिरा भाईंदर महानगरपालिकेतील शिक्षण विभागासाठी ठोक मानधनावर तात्पुरत्या स्वरूपात प्राथमिक व माध्यमिक शिक्षक यांनी सुट्टीच्या दिवशी काम केलेले असल्याने त्यांच्या माहे मे-२०२४ रोजीच्या वेतनाबाबत

ठराव क्र. ११७ :-

कार्यालयीन प्रस्ताव

मिरा भाईंदर महानगरपालिका क्षेत्रातील ३६ मनपा प्राथमिक शाळांमध्ये सेमी इंग्रजीकरीता आणि माध्यमिक विभाग इयत्ता ९ वी व १० वी साठी ठोक मानधनावर १० महिन्यांच्या करारावर कंत्राटी शिक्षकांची दि.२७/०९/२०२२, दि.१६/०६/२०२३ व दि.१०/०७/२०२३ रोजीच्या आदेशान्वये नियुक्ती करण्यात आली होती. सदर आदेशानुसार मिरा भाईंदर मनपा आस्थापना विभागामार्फत संपूर्ण भरती प्रक्रिया करण्यात आली असून एकूण ०३ टप्प्यांमध्ये एकूण ६४ कंत्राटी शिक्षकांची मनपा शाळांवर नियुक्ती करण्यात आली आहे.

यापैकी काही शिक्षक नियुक्ती आदेशानंतर शिक्षण विभाग कार्यालयात हजर झाले नाहीत, काही शिक्षकांनी राजीनामा दिला तर काही शिक्षकांनी शासनाच्या पवित्र प्रणालीत शिक्षक भरती झाल्याने सदर शिक्षक शासनाच्या आदेशानुसार दुसऱ्या आस्थापनेवर इतर शाळांमध्ये नियुक्त झाले. यामुळे वरीलप्रमाणे एकूण ६४ कंत्राटी शिक्षकांच्या नियुक्तीपैकी सदस्थितीत ३८ शिक्षक शाळांवर कार्यरत आहेत. असे दि.२८/०६/२०२४ व दि.१६/०७/२०२४ रोजीच्या टिपणीमधून दिसून येते.

तसेच दि.२७/०९/२०२२, दि.१६/०६/२०२३ व दि.१०/०७/२०२३ रोजीच्या नियुक्ती आदेशामधील अटीशर्तींमध्ये ठोक मानधनावर नियुक्त शिक्षकांचा सेवेचा कालावधी सदर आदेशाच्या दिनांकापासून १० महिन्यांसाठी असून शैक्षणिक कालावधी धरण्यात येईल. (सुट्टीचा कालावधी वगळून व त्या सुट्टीच्या कालावधीत मानधन अदा केले जाणार नाही.) तदनंतर सदरची नियुक्ती आपोआप संपुष्टात येईल असे नमूद आहे. मात्र शाळांकडून प्राप्त माहे मे २०२४ च्या हजेरी पत्रकानुसार कार्यरत कंत्राटी शिक्षकांनी काम केल्याचे कळविले आहे. त्यानुसार त्यांना मानधन देणेबाबत शिक्षण विभागाने दि.२८/०६/२०२४ व दि.१६/०७/२०२४ रोजीच्या सादर टिपणीनुसार अहवाल सादर केला आहे.

मिरा भाईंदर महानगरपालिकेच्या शिक्षण विभागामध्ये माहे मे- २०२४ मध्ये प्राथमिक व माध्यमिक शिक्षक ४८ कार्यरत होते. दि.२७/०९/२०२२, दि.१६/०६/२०२३ व दि.१०/०७/२०२३ रोजीच्या नियुक्ती आदेशामधील अटीशर्तींमध्ये ठोक मानधनावर नियुक्त शिक्षकांचा सेवेचा कालावधी सदर आदेशाच्या दिनांकापासून १० महिन्यांसाठी असून शैक्षणिक कालावधी धरण्यात येईल. (सुट्टीचा कालावधी वगळून व त्या सुट्टीच्या कालावधीत मानधन अदा केले जाणार नाही असून नमूद असल्यामुळे त्यांचे माहे मे - २०२४ रोजीचे वेतन अदा करण्यात आलेले नाही. परंतु शिक्षण विभागाने दिलेल्या अहवालानुसार ठोक मानधनावरील माध्यमिक व प्राथमिक शिक्षक यांनी माहे मे - २०२४ मध्ये सार्वत्रिक लोकसभा निवडणूक २०२४ व शिक्षण विभागात कामे केलेली असून त्यांचे माहे मे -२०२४ मधील ठोक मानधन अदा करणे उचित वाटते.

शिक्षण विभागाच्या सन २०२४-२५ च्या मूळ अंदाजपत्रकातील मंजूर तरतूदीनुसार रु.१५० लाख तरतूद करण्यात आलेली आहे. शिक्षण विभागामधील दिलेल्या अहवालानुसार ठोक मानधनावरील प्राथमिक शिक्षक - ३२ यांचे प्रति शिक्षक मासिक ठोक मानधन रु.१५,०००/- व माध्यमिक शिक्षक १६ यांचे प्रति शिक्षक मासिक ठोक मानधन रु.२०,०००/- असे एकूण ४८ शिक्षक यांनी माहे मे - २०२४ मध्ये सुट्टीच्या दिवशी सार्वत्रिक लोकसभा निवडणूक २०२४ तसेच शिक्षण विभागात कामे केलेली असल्याने त्यांच्या वेतनासाठी होणा-या रु.५,००,०००/- (अक्षरी पाच लाख मात्र) इतक्या खर्चास आर्थिक व प्रशासकीय मंजूरी मिळावी असा कार्यालयीन प्रस्ताव प्रशासनामार्फत सादर करण्यात आला आहे.

प्रशासकीय ठराव क्र. ११७ दिनांक २०/०८/२०२४

मिरा भाईंदर महानगरपालिकेतील शिक्षण विभागासाठी ठोक मानधनावर तात्पुरत्या स्वरूपात प्राथमिक व माध्यमिक शिक्षक यांनी सुट्टीच्या दिवशी काम केलेले असल्याने त्यांच्या माहे मे-२०२४ रोजीच्या वेतनाबाबत.

महाराष्ट्र महानगरपालिका अधिनियमातील तरतुदी व विशेषतः कलम ४५२ अ च्या (१ अ) व (१ ब) नुसार महाराष्ट्र शासन, नगर विकास विभागाकडील शासन आदेश क्रमांक : एमसीओ २०२०/प्र.क्र.७१(भाग-२)/नवि-१४, दि.२६/०८/२०२२ अन्वये प्रशासनाने सादर केलेल्या विषयास अनुसरून "मिरा भाईंदर महानगरपालिकेतील शिक्षण विभागाच्या सन २०२४-२५ च्या मूळ अंदाजपत्रकातील मंजूर तरतूदीनुसार रु.१५० लाख तरतूद करण्यात आलेली आहे. शिक्षण विभागामधील दिलेल्या अहवालानुसार ठोक मानधनावरील प्राथमिक शिक्षक - ३२ यांचे प्रति शिक्षक मासिक ठोक मानधन रु.१५,०००/- व माध्यमिक शिक्षक १६ यांचे प्रति शिक्षक मासिक ठोक मानधन रु.२०,०००/- असे एकूण ४८ शिक्षक यांनी माहे मे - २०२४ मध्ये सुट्टीच्या दिवशी सार्वत्रिक लोकसभा निवडणूक २०२४ तसेच शिक्षण विभागात कामे केलेली असल्याने त्यांच्या वेतनासाठी होणा-या रु.५,००,०००/- (अक्षरी पाच लाख मात्र) इतक्या खर्चास आर्थिक व प्रशासकीय मंजूरी देण्यात येत आहे."

पुढील आवश्यक कार्यवाही नियमानुसार संबंधित विभागाने विहित पध्दतीने करावी.

ठराव क्र. ११८ : सन २०२३-२४ व सन २०२४-२५ या आर्थिक वर्षाकरीता पर्यावरण सद्यस्थिती अहवाल (दोन वर्षाकरिता) तयार करणे. (TENDER ID : 2024_MBMC_1050647_1)

मिरा भाईंदर महानगरपालिकेचा सन २०२३-२४ व सन २०२४-२५ या आर्थिक वर्षाकरिता पर्यावरण सद्यस्थिती अहवाल (दोन वर्षाकरिता) तयार करणे बाबतचा प्रस्ताव दि. ०६/०८/२०२४ रोजीच्या मा. निविदा निवड समितीच्या बैठकीतील इतिवृत्तांतामध्ये नमूद आहे.

सदर बैठकीमध्ये मे. मनुसृष्टी यांनी सादर केलेले दर (रु. २२,४५,०००/-) वाजवी असल्याने मिरा भाईंदर महानगरपालिकेचा सन २०२३-२४ व सन २०२४-२५ या आर्थिक वर्षाकरिता पर्यावरण सद्यस्थिती अहवाल (दोन वर्षाकरिता) मे. मनुसृष्टी यांचेकडून तयार करून घेण्याबाबत मा. निविदा निवड समितीने शिफारस केलेली आहे.

उपरोक्तप्रमाणे मिरा भाईंदर महानगरपालिकेचा सन २०२३-२४ व सन २०२४-२५ या आर्थिक वर्षाकरिता पर्यावरण सद्यस्थिती अहवाल (दोन वर्षाकरिता) तयार करणेकामी रक्कम रु. २२,४५,०००/- इतका खर्च अपेक्षित आहे. सदरचा खर्च सन २०२४-२५ व सन २०२५-२६ या आर्थिक वर्षातील पर्यावरण विभागातील "पर्यावरण अहवाल व जनजागृती मोहिम" या लेखाशिर्षा अंतर्गत भागविता येईल.

उपरोक्तकामी मे. मनुसृष्टी यांनी सादर केलेले रक्कम रु. २२,४५,०००/- दर स्वीकारणेस मा. आयुक्त महोदय यांची दि. १३/०८/२०२४ रोजी मंजूरी प्राप्त झालेली आहे.

सबब, मिरा भाईंदर महानगरपालिकेचा सन २०२३-२४ व सन २०२४-२५ या आर्थिक वर्षाकरिता पर्यावरण सद्यस्थिती अहवाल (दोन वर्षाकरिता) तयार करणेकामी मे. मनुसृष्टी यांना कार्यादेश देणेस मंजूरी देण्यात येत आहे. पारित ठरावानुसार संबंधित विभागाने पुढील योग्य कार्यवाही करावी.

// बांधकाम/ विद्युत विभाग //

दि. २०/८/२०२४

प्रकरण क्रमांक. (१२१) "मुख्यमंत्री युवा कार्यप्रशिक्षण योजना" अंतर्गत मिरा भाईंदर महानगरपालिकेमार्फत Campus Placement @ MBMC अभियान राबविणेसाठी प्रशिक्षण संस्थेची नेमणूक करणे, प्रशिक्षण केंद्राची जागा निश्चितच्या धोरणास मान्यता देणे.

// प्रस्तावना //

महाराष्ट्र शासनाकडून "मुख्यमंत्री युवा कार्यप्रशिक्षण योजना" राबविण्याबाबत निर्णय घेण्यात आला आहे. सदर योजनेची मिरा भाईंदर महानगरपालिका क्षेत्रात प्रभावी अंमलबजावणी करण्यासाठी आज दि. 14 ऑगस्ट 2024 रोजी मा. आयुक्त महोदय यांच्या समवेत चर्चा झाली. त्यानुसार मिरा भाईंदर महानगरपालिकेकडून Campus Placement @ MBMC अभियान राबविण्याचे निश्चित करण्यात आले.

मिरा भाईंदर महानगरपालिकेच्या शाळेतील आजी-माजी विद्यार्थ्यांना त्यांचे पुढील आयुष्य चांगले घडावे, सुसह्य जीवन जगता यावे तसेच गुन्हेगारी प्रवृत्तीपासून दूर रहावे यासाठी त्यांना प्रशिक्षण देऊन नोकरी देखिल उपलब्ध करून देता येणार आहे. मनपा शाळेतील विद्यार्थ्यांसोबतच शहरातील इतर गरजूवंत विद्यार्थी, रहीवाशी यांना देखील महानगरपालिकेच्या सहकार्याने प्रशिक्षण देऊन नोकऱ्या उपलब्ध करून देता येणार आहेत. त्यासाठी महानगरपालिकेमार्फत Campus Placement @ MBMC अभियान राबवून सदर अभियानांतर्गत विद्यार्थ्यांना शोधणे, त्यांची योग्यता चाचणी घेऊन संबंधित विषयाचे त्यांना प्रशिक्षण देणे व नोकऱ्या उपलब्ध करून देणेची प्रक्रीयेसाठी सुयोग्य अशा संस्थेची नियुक्ती करून त्यांना प्रशिक्षण तसेच विविध स्तरावरील कार्यवाहीसाठी जागा उपलब्ध करून द्यावी लागणार आहे.

भाईंदर (पुर्व) येथे आरक्षण क्र. 241 येथील इमारतीवरील दुसरा मजला तयार होत असून सदर मजला अथवा तिसऱ्या मजल्यावर जागा उपलब्ध करून देणेबाबत चर्चा झाली. सदर एका मजल्याची जागा सुमारे 1800 चौ. मीटर एवढी आहे. सदर तिसरा मजला हा महानगरपालिकेकडून MPSC/ UPSC स्पर्धा परीक्षणासाठी प्रशिक्षण देणेसाठी बांधण्याबाबत मा. महासभेचा निर्णय झाला आहे. सदर जागा किंवा दुसरा मजल्याची जागा द्यावयाची झाल्यास प्रशासकीय ठरावाव्दारे सदर धोरणात्मक निर्णय घ्यावा लागेल. प्रशिक्षण केंद्रातील सर्व व्यवस्था CSR च्या माध्यमातून करता येऊ शकेल.

तरी प्रस्तावानुसार Campus Placement @ MBMC अभियान राबविणेसाठी अनुभवी खाजगी संस्थेची नेमणूक करणे, शहरात सदर अभियानाची विविध माध्यमातून व स्तरातून प्रसिध्दी देणे, प्रस्तावित

जागा उपलब्ध करून देणे इ. प्रक्रीयेस प्रशासकीय ठरावाव्दारे धोरणात्मक निर्णय पारीत होऊन अंमलबजावणी करणेस मान्यता देण्यास शिफारस आहे.

प्रशासकीय ठराव १२१ दिनांक :- २०/८/२०२४

प्रकरण क्रमांक :- (१२१) "मुख्यमंत्री युवा कार्यप्रशिक्षण योजना" अंतर्गत मिरा भाईंदर महानगरपालिकेमार्फत Campus Placement @ MBMC अभियान राबविणेसाठी प्रशिक्षण संस्थेची नेमणूक करणे, प्रशिक्षण केंद्राची जागा निश्चितच्या धोरणास मान्यता देणे.

कार्यालयीन प्रस्तावना

महाराष्ट्र शासनाकडून "मुख्यमंत्री युवा कार्यप्रशिक्षण योजना" राबविण्याबाबत निर्णय घेण्यात आला आहे. सदर योजनेची मिरा भाईंदर महानगरपालिका क्षेत्रात प्रभावी अंमलबजावणी करण्यासाठी आज दि.14 ऑगस्ट 2024 रोजी मा. आयुक्त महोदय यांच्या समवेत चर्चा झाली. त्यानुसार मिरा भाईंदर महानगरपालिकेकडून Campus Placement @ MBMC अभियान राबविण्याचे निश्चित करण्यात आले.

मिरा भाईंदर महानगरपालिकेच्या शाळेतील आजी-माजी विद्यार्थ्यांना त्यांचे पुढील आयुष्य चांगले घडावे, सुसह्य जीवन जगता यावे तसेच गुन्हेगारी प्रवृत्तीपासून दूर रहावे यासाठी त्यांना प्रशिक्षण देऊन नोकरी देखील उपलब्ध करून देता येणार आहे. मनपा शाळेतील विद्यार्थ्यांसोबतच शहरातील इतर गरजूवंत विद्यार्थी, रहीवाशी यांना देखील महानगरपालिकेच्या सहकार्याने प्रशिक्षण देऊन नोकऱ्या उपलब्ध करून देता येणार आहेत. त्यासाठी महानगरपालिकेमार्फत Campus Placement @ MBMC अभियान राबवून सदर अभियानांतर्गत विद्यार्थ्यांना शोधणे, त्यांची योग्यता चाचणी घेऊन संबंधित विषयाचे त्यांना प्रशिक्षण देणे व नोकऱ्या उपलब्ध करून देणेची प्रक्रीयेसाठी सुयोग्य अशा संस्थेची नियुक्ती करून त्यांना प्रशिक्षण तसेच विविध स्तरावरील कार्यवाहीसाठी जागा उपलब्ध करून द्यावी लागणार आहे.

भाईंदर (पुर्व) येथे आरक्षण क्र.241 येथील इमारतीवरील दुसरा मजला तयार होत असून सदर मजला अथवा तिसऱ्या मजल्यावर जागा उपलब्ध करून देणेबाबत चर्चा झाली. सदर एका मजल्याची जागा सुमारे 1800 चौ. मीटर एवढी आहे. सदर तिसरा मजला हा महानगरपालिकेकडून MPSC/ UPSC स्पर्धा परीक्षणासाठी प्रशिक्षण देणेसाठी बांधण्याबाबत मा. महासभेचा निर्णय झाला आहे. सदर जागा किंवा दुसरा मजल्याची जागा द्यावयाची झाल्यास प्रशासकीय ठरावाव्दारे सदर धोरणात्मक निर्णय घ्यावा लागेल. प्रशिक्षण केंद्रातील सर्व व्यवस्था CSR च्या माध्यमातून करता येऊ शकेल.

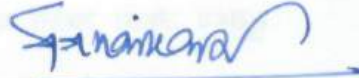

तरी प्रस्तावानुसार Campus Placement @ MBMC अभियान राबविणेसाठी अनुभवी खाजगी संस्थेची नेमणूक करणे, शहरात सदर अभियानाची विविध माध्यमातून व स्तरातून प्रसिध्दी देणे, प्रस्तावित जागा उपलब्ध करून देणे इ. प्रक्रीयेस प्रशासकीय ठरावाव्दारे धोरणात्मक निर्णय पारीत होऊन अंमलबजावणी करणेस प्रशासकीय ठरावाव्दारे निर्णय होणेसबाबत प्रशासनाचा प्रस्ताव आहे.

प्रशासकीय ठराव क्र. १२१ दिनांक २०/०८/२०२४

वरील प्रस्तावाचे अवलोकन करण्यात आले. महाराष्ट्र महानगरपालिका अधिनियम तरतुदी व विशेषतः कलम ४५२ (अ) च्या (१अ) व (१ब) नुसार, महाराष्ट्र शासन, नगरविकास विभागाकडील शासन आदेश क्रमांक :- एमसीओ २०२०/प्र.क्र.७१ (भाग-२)/ नवि-१४ दिनांक २६ ऑगस्ट २०२२ अन्वये प्राप्त अधिकारानुसार मी, श्री. संजय काटकर, प्रशासक, मिरा भाईंदर महानगरपालिका मा. महानगरपालिका महासभेच्या अधिकाराचा वापर करून प्रशासनाने सादर केल्यानुसार मिरा भाईंदर महानगरपालिका क्षेत्रात Campus Placement @ MBMC अभियान राबविणेसाठी अनुभवी खाजगी संस्थेची नेमणूक करणे, शहरात सदर अभियानाची विविध माध्यमातून व स्तरातून प्रसिध्दी देणे, आरक्षण क्र.२४१ येथील जागा उपलब्ध करून देणे इ. प्रक्रीयेस प्रशासकीय ठरावाव्दारे धोरणात्मक निर्णय पारीत होऊन अंमलबजावणी करणेस या ठरावाव्दारे मान्यता देण्यात येत आहे.

सदर कामाबाबतची पुढील कार्यवाही नियमानुसार संबंधित विभागाने विहित पध्दतीने करावी.

Foreword by Municipal Commissioner & Administrator of MBMC

The Mira Bhayandar@2047 vision is a transformative roadmap designed to align with the broader Viksit Bharat@2047 objectives. Our journey towards this ambitious goal began with the Mira Bhayandar@2047 Conclave, where we engaged with intellectuals and experts from diverse fields. Their insights provided us with a strategic direction to realize our vision. As a concrete step towards implementing these insights, we organized the CSR Conclave: Transforming Mira Bhayandar@2047. This event was envisioned to translate our aspirations into actionable initiatives, fostering collaborations that would drive sustainable development in Mira Bhayandar.

The success of the MBMC CSR Conclave 2024 would not have been possible without the unwavering support and cooperation of MBMC officers, whose commitment was instrumental throughout the process. The MBMC-Innovation Cell team, from the inception of this idea to its flawless execution, played a pivotal role in ensuring every aspect of the conclave was meticulously planned and implemented.

I extend my sincere gratitude to NITI Aayog, particularly the Principal Economic Advisor's office, for their consistent support and guidance at every step. Their involvement was crucial in steering this event towards its successful culmination. I would also like to thank all our stakeholders, sponsors, and partners for their invaluable contributions, which were key to the success of this conclave.

This conclave is not just an event but a significant step in our ongoing journey towards realizing the Mira Bhayandar@2047 vision. The collaborations and initiatives that emerged from this platform will have a lasting impact, not only on Mira Bhayandar but also on the broader Mumbai Metropolitan Region.

Sanjay Shripatrao Katkar (IAS)
Municipal Commissioner & Administrator,
Mira Bhayandar Municipal Corporation

Message from the Principal Economic Advisor, NITI Aayog

Pointers:

Support and Guidance:

Emphasize the comprehensive support and guidance provided by the Principal Economic Advisor's office throughout the planning and execution of the CSR Conclave.

Highlight the strategic importance of the CSR Conclave in aligning local initiatives with the national vision of Viksit Bharat@2047.

Strategic Alignment:

Mention how the CSR Conclave was a crucial step towards realizing the Mira Bhayandar@2047 vision, which is aligned with the broader goals of Viksit Bharat@2047.

Encouragement for Collaboration:

Encourage ongoing and future collaborations between local government bodies like MBMC and various stakeholders, including corporates and NGOs, to foster sustainable development.

Acknowledgment of MBMC's Efforts:

Acknowledge the proactive role of MBMC, especially the efforts of the Municipal Commissioner & Administrator, and the Innovation Cell team, in organizing such a significant event.

Vision for the Future:

Express optimism that the initiatives discussed and launched during the CSR Conclave will have a lasting impact on Mira Bhayandar and contribute significantly to the development of the Mumbai Metropolitan Region.

Message from the Director General, Development, Monitoring & Evaluation Office, NITI Aayog

Pointers:

Participation as Keynote Speaker:

Acknowledge of participation and gracing the event as a keynote speaker.

Appreciation for the Conclave's Impact:

Highlight the importance of the conclave in driving actionable strategies for the development of Mira Bhayandar, aligned with the Viksit Bharat@2047 vision.

Recognition of MBMC's Leadership:

Recognize the leadership and dedication of MBMC's Municipal Commissioner & Administrator and the MBMC-Innovation Cell team in executing the conclave successfully.

Encouragement for Future Initiatives:

Encourage continued efforts and collaborations among various stakeholders, including government bodies, corporates, and NGOs, to achieve the long-term goals set out in the Mira Bhayandar@2047 vision.

Outlook for Mira Bhayandar:

Express confidence that the initiatives launched and discussed during the conclave will positively influence not only Mira Bhayandar but also the larger Mumbai Metropolitan & Mumbai City Region.

1. Executive Summary

The "CSR Conclave: Transforming Mira Bhayandar@2047," organized by the Mira Bhayandar Municipal Corporation (MBMC), marks a pivotal step in the realization of the Mira Bhayandar@2047 vision under the leadership of Municipal Commissioner & Administrator of MBMC, Sanjay Shripatrao Katkar (IAS) and with the efforts of MBMC-Innovation Cell team. This vision is intricately aligned with the broader Viksit Bharat@2047 initiative, reflecting the aspirations of transforming Mira Bhayandar into a model city by 2047, coinciding with India's centenary of independence.

Purpose and Objectives

The CSR Conclave was conceptualized to build upon the foundation laid during the Mira Bhayandar@2047 Conclave, which gathered intellectuals and experts from various fields to chart a course for achieving long-term developmental goals. The CSR Conclave served as the next strategic step, focusing on actionable outcomes in three key areas:

1. **Education:** Enhancing primary education, achieving employability at the age of 18 through targeted skill development, and empowering deprived students. The establishment of the Centre for Excellence (CoE) in Education is highlighted as MBMC's dedicated vehicle for driving these initiatives.
2. **Healthcare:** Prioritizing the welfare of the common people through preventive healthcare measures, improved diagnosis solutions, and heightened public awareness. The focus remains on creating a robust healthcare system that serves all sections of society, particularly the underprivileged.
3. **Environment:** Advancing environmental sustainability and promoting a circular economy within Mira Bhayandar. The conclave aimed to formulate strategies that not only address current environmental challenges but also pave the way for sustainable urban development.

Key Highlights and Outcomes

The event brought together key stakeholders, including policymakers, industry leaders, CSR professionals, and community representatives, to discuss and deliberate on the outlined objectives. The panel discussions yielded valuable insights and recommendations, which are summarized as follows:

- **Environmental Sustainability:** Proposals were made for adopting sustainable practices across various sectors, emphasizing the need for circular economy models and community-driven environmental initiatives.
- **Healthcare:** Discussions centered on enhancing preventive healthcare services and expanding access to healthcare for all citizens. The role of CSR in funding and supporting these initiatives was also a major focus.
- **Education:** The need for a transformative approach to education was underscored, with a strong emphasis on vocational training and skill development to ensure employability by the age of 18. The establishment of the CoE was recognized as a crucial step in this direction.

2. Introduction

Mira Bhayandar, a rapidly growing city in Maharashtra, envisions becoming a model urban center by the year 2047, in line with the broader national aspiration of Viksit Bharat@2047. This vision, termed Mira Bhayandar@2047, is a comprehensive roadmap aimed at transforming the city into a sustainable, inclusive, and thriving community that can serve as a benchmark for other cities in India.

To kickstart this ambitious journey, the Mira Bhayandar@2047 Conclave was organized earlier this year. This inaugural event brought together thought leaders, experts, and policymakers to deliberate on the long-term developmental strategies needed to achieve the city's vision. The insights gained from this conclave formed the foundation for the next critical phase of action.

Building on the momentum generated by the Mira Bhayandar@2047 Conclave, the CSR Conclave: Transforming Mira Bhayandar@2047 was conceived as the next strategic step. Unlike traditional conferences, this conclave was not merely a platform for discussion but a call for action—a focused effort to translate ideas into actionable strategies through the collaboration of government bodies, corporate entities, and civil society. This MBMC CSR Conclave 2024 was a one of a kind initiative organised by an Urban Local Body.

This CSR Conclave aimed to harness the power of Corporate Social Responsibility (CSR) as a catalyst for change, driving initiatives that align with the city's long-term goals. The event concentrated on three core areas—Education, Healthcare, and Environmental Sustainability—identified as crucial pillars for Mira Bhayandar's transformation.

This report encapsulates the discussions, insights, and outcomes of the CSR Conclave, providing a comprehensive overview of the strategies and action plans that emerged from this pivotal event. The report will serve as a guiding document for all stakeholders as they work towards realizing the Mira Bhayandar@2047 vision, ensuring that the city's development is inclusive, sustainable, and aligned with the aspirations of a Viksit Bharat@2047.

3. Objectives

The CSR Conclave: Transforming Mira Bhayandar@2047 was organized with a clear set of objectives designed to advance the Mira Bhayandar@2047 vision. The primary objectives of the conclave were as follows:

1. Strategic Collaboration:

- To establish and strengthen partnerships between the Mira Bhayandar Municipal Corporation (MBMC), corporate entities, and civil society organizations, leveraging CSR initiatives to drive transformative projects.
- To align corporate social responsibility efforts with the long-term developmental goals of Mira Bhayandar@2047, ensuring a coordinated and impactful approach to city development.

2. Focus Areas for Development:

- Education:
 - Enhance the quality of education with a focus on the 36 municipal schools under MBMC.
 - Achieve Employability@18 by empowering students with skills and knowledge through the establishment of the Centre For Excellence (CoE) Education.
 - Address the needs of underprivileged students and promote skill development as a pathway to sustainable livelihoods.
- Healthcare:
 - Center healthcare efforts on the welfare of the common man, with a strong emphasis on preventive healthcare and public awareness.
 - Develop and implement CSR-driven healthcare initiatives that provide accessible diagnosis solutions and promote community-wide health awareness.
- Environmental Sustainability:
 - Implement sustainable environmental practices that align with the city's vision for a greener future.
 - Encourage CSR contributions towards projects that address key environmental challenges in Mira Bhayandar, such as waste management, pollution control, and conservation efforts.

3. Actionable Outcomes:

- To identify specific, actionable outcomes in the areas of Education, Healthcare, and Environmental Sustainability that can be implemented immediately and scaled up over time.
- To create a detailed action plan that outlines the steps needed to achieve these outcomes, ensuring continuous progress towards the Mira Bhayandar@2047 vision.

4. Long-Term Engagement:

- To establish a framework for the sustained involvement of CSR in Mira Bhayandar's development, ensuring that the initiatives launched during the conclave have lasting impacts and contribute to the city's holistic growth.
- To promote a culture of ongoing collaboration and innovation among all stakeholders, fostering a community-driven approach to achieving the Mira Bhayandar@2047 vision.

4. Inaugural Address

The CSR Conclave: Transforming Mira Bhayandar@2047 opened with impactful addresses that set the tone for the discussions and deliberations throughout the event. The speakers highlighted the strategic importance of Corporate Social Responsibility (CSR) in shaping the future of Mira Bhayandar, aligning it with the broader Viksit Bharat@2047 vision.

Keynote & Special Addresses Overview

- Mr. Sanjay Shripatrao Katkar (IAS), Municipal Commissioner & Administrator, MBMC:

- Welcome Address:

- Emphasized MBMC's initiatives to enhance urban infrastructure and services.
- Focused on improving social infrastructure, particularly education.
- Introduced the concept of a "Center of Excellence" in education to support underprivileged students.
- Discussed waste management strategies, including community-driven segregation and power generation from organic waste.

- Prof. Ravindra Gudi, Dean (Alumni & Corporate Relations), IIT Bombay:

- Special Address:

- Congratulated MBMC on its transformative initiatives.
- Highlighted the role of sustainable social transformation aligned with national missions.
- Discussed IIT Bombay's contributions to education and research, stressing responsible corporate engagement.

- Mr. Sanjay Singh, Chief of UNICEF Maharashtra Office:

- Special Address:

- Focused on future opportunities for children born in 2024, targeting employability by 2047.
- Emphasized early career guidance, life skills integration, and leveraging existing programs like Mukhyamantri Yuva Karya Prashikshan Yojana.

- Ms. Nidhi Chhibber (IAS), Director General, Development Monitoring and Evaluation Office (DMEO), NITI Aayog:

- Keynote Address:

- Discussed the collaboration between MBMC, NITI Aayog, and corporates to enhance civic services.
- Stressed the role of CSR in addressing socio-economic challenges and promoting sustainable development.
- Encouraged active participation and collaboration to drive innovative solutions.

5. Panel Discussions

Environmental Sustainability and Circular Economy:

- **Key Discussion Points:**
 - **Waste Management:** Emphasized the importance of sustainable waste management practices to reduce the carbon footprint and promote environmental conservation.
 - **Resource Efficiency:** Highlighted the need for optimizing resource use in industries and daily life to minimize waste and ensure long-term sustainability.
 - **Public-Private Partnerships:** Stressed the significance of collaboration between government bodies, private sector companies, and local communities to implement effective sustainability projects.
 - **Circular Economy Models:** Discussed the implementation of circular economy models, focusing on recycling, reusing, and reducing waste to create a sustainable economic framework.
- **Outcomes:**
 - **Action Plans:** Development of actionable strategies to implement circular economy principles in Mira Bhayandar, focusing on waste reduction, resource optimization, and sustainable practices.
 - **Collaboration Frameworks:** Established frameworks for collaboration between government and private sectors, ensuring shared responsibility in environmental conservation.

Education Transformation: Employability @18:

- **Key Discussion Points:**
 - **Primary Education:** Discussed the importance of strengthening primary education to build a solid foundation for future learning and skill development.
 - **Empowering Deprived Students:** Focused on initiatives to support and empower students from underprivileged backgrounds, ensuring equal opportunities for all.
 - **Skill Development:** Highlighted the role of skill development programs in preparing students for future employment, particularly through vocational training and practical education.
 - **Employability @18:** Discussed the concept of employability at the age of 18, ensuring that students are equipped with the necessary skills and knowledge to enter the workforce.
 - **Centre for Excellence (CoE) Education:** Presented the Centre for Excellence as MBMC's vehicle for achieving employability @18, with a focus on skill development and vocational training.
- **Outcomes:**
 - **Strategic Initiatives:** Developed strategies to implement the employability @18 initiative across MBMC's 36 municipal schools, focusing on primary education and skill development.
 - **CSR in Education:** Identified how CSR initiatives can contribute to educational upliftment, particularly in supporting the CoE and other educational programs aimed at empowering students.

Arogya Vardhini: Healing Communities & Advancing Healthcare:

- **Key Discussion Points:**

- Preventive Healthcare: Emphasized the critical role of preventive healthcare measures in improving public health and reducing the burden on the healthcare system.
- Welfare of the Common Man: Focused on the importance of healthcare initiatives centered around the welfare of the common man, ensuring that healthcare services are accessible and affordable to all.
- Public Awareness: Highlighted the need for increased public awareness about health issues, preventive measures, and available healthcare services.
- CSR in Healthcare: Discussed how CSR initiatives can contribute to healthcare improvements, particularly in areas such as preventive care, diagnostics, and public health education.
- Outcomes:
 - Healthcare Infrastructure: Initiatives to enhance public health infrastructure in Mira Bhayandar, with a focus on preventive care and public welfare.
 - CSR Contributions: Identified ways in which CSR can play a pivotal role in promoting preventive healthcare and diagnosis solutions for the common man.

6. Way Forward

1. Environmental Sustainability:

- Expansion of Circular Economy Initiatives:
 - Focus on Waste Management: Scale up the implementation of circular economy models across Mira Bhayandar, emphasizing waste reduction, resource reuse, and recycling.
 - Collaboration: Strengthen partnerships between the municipal government, private sector, and community organizations to drive sustainable practices.
 - Public Engagement: Enhance public awareness and involvement in environmental sustainability initiatives to ensure community-driven impact.

2. Healthcare:

- Preventive Healthcare Initiatives:
 - Common Man-Centric Programs: Prioritize healthcare programs that address the needs of the common man, ensuring that preventive care and diagnosis are accessible to all.
 - CSR Integration: Increase the involvement of CSR initiatives in healthcare, focusing on public awareness campaigns, preventive care, and the development of healthcare infrastructure.
 - Community Health Programs: Implement targeted health campaigns to promote preventive measures and improve public health outcomes.

3. Education Transformation:

- Employability @18 through Centre for Excellence (CoE):
 - Skill Development Programs: Continue to enhance skill development initiatives within MBMC's 36 municipal schools, ensuring that students are equipped for employability by age 18.
 - Support for Deprived Students: Expand educational programs that empower underprivileged students, providing them with equal opportunities to succeed.
 - CSR Support: Leverage CSR contributions to fund and support educational programs, particularly those aimed at skill development and primary education enhancement.

4. Strengthening Public-Private Partnerships:

- Strategic Collaboration: Foster long-term partnerships with private sector companies, NGOs, and academic institutions to implement the initiatives discussed during the conclave.
- Open Invitation to Corporates/Organizations: MBMC welcomes all corporates and organizations with open arms. Our doors are always open for collaboration, and we call on all stakeholders to join us in our mission for a better future for Mira Bhayandar.
- Sustainable Development Goals (SDGs): Align all future projects with the United Nations Sustainable Development Goals (SDGs) to ensure a holistic approach to development.
- Monitoring & Evaluation: Establish robust mechanisms for monitoring and evaluating the progress of these initiatives, ensuring accountability and continuous improvement.

5. Implementation of Recommendations:

- Actionable Roadmaps: Develop detailed action plans for each of the discussed areas, with clear timelines and responsibilities assigned to stakeholders.

- **Regular Reviews:** Conduct regular review meetings to assess progress, address challenges, and make necessary adjustments to the plans.
- **Capacity Building:** Invest in capacity-building programs for municipal officials and partners to effectively implement and manage the recommended initiatives.

7. Acknowledgements

The Mira Bhayandar Municipal Corporation (MBMC) extends its heartfelt gratitude to all the stakeholders whose collective efforts made the CSR Conclave: Transforming Mira Bhayandar@2047 a resounding success.

We sincerely thank our partners, sponsors, and participants for their unwavering support and commitment to this initiative. Your contributions have been invaluable in shaping the future of Mira Bhayandar.

A special acknowledgment goes to NITI Aayog for their wholehearted endorsement and support, which significantly amplified the impact of this event. Your guidance and collaboration have been instrumental in driving this transformative agenda forward.

We are deeply grateful to the dedicated officers of MBMC for their cooperation and tireless efforts, which ensured the smooth execution of this event. Your support at every stage has been crucial to the success of this conclave.

Finally, we would like to express our profound appreciation to the MBMC-Innovation Cell for their strategic leadership and relentless hard work. From conceptualization to planning, implementation, and organization, the Innovation Cell has played a pivotal role at every step. Your commitment to excellence and innovation has been the backbone of this event, ensuring its success and paving the way for a brighter future for Mira Bhayandar.

Thank you to everyone involved in making this event a milestone in our collective journey toward a prosperous and sustainable Mira Bhayandar.

8. Annexures

Annex 1: Invitation & Agenda

 - Dr. Vinaya Shetty - Digital empowerment of women
 - Ms. Preethi Maroli - Leadership qualities of women
- Action Plan for Women Empowerment
 - Education and skill development programs
 - Equal opportunities in employment and entrepreneurship
 - Awareness campaigns and support systems

III. City Branding

- Highlights from Speaker 4 - Mr. Tarunsingh Chavan
 - Vision for branding Mira Bhayandar as a city of stories
 - Utilization of natural resources for eco-tourism
 - Integration of national parks and forests into city branding: Mira Bhayandar at the footsteps of Sanjay Gandhi National Park. Role of MCZMA & CRZ region.
- Strategies for City Branding
 - Promotion of local culture and heritage
 - Development of tourism infrastructure
 - Collaborative efforts with local businesses and communities
- Pattern for City Branding of Mira Bhayandar @2047

IV. Safe City Initiative

- Insights from Speaker 5 - Mr. D. Sivanandhan
 - Importance of citizen involvement in creating a safe environment
 - Connection between environment, education, and innovation
 - Need for holistic approach to city safety
- Action Plan for Safe City
 - Community policing and neighborhood watch programs
 - Environmental awareness and conservation initiatives
 - Education and training on safety measures
 - Use of technology

V. Education and Youth

- Key takeaways from Day 2 speakers
- Dr. Dnyaneshwar Mulay - Empowering youth for environmental sustainability
- Dr. Sudhir Gavhane - Harnessing technology for education
- Mr. Francis Joseph - Reforms in education policy
- Strategies for Education and Youth Development
- Integration of technology in curriculum and teaching methods
- Promotion of entrepreneurship and innovation among youth
- Employment based education
- Reforming education policies to adapt to changing needs
- Transforming the infrastructure of MBMC's 36 schools
- Target to make Mira Bhayandar @2047 known for primary education

VI. Healthcare

- Commitments made by Dr. Amol Annadate for improving healthcare in MBMC
- Healthcare initiatives and partnerships with MBMC
- Focus areas for healthcare improvement

VII. Ongoing Efforts by Mira Bhayandar Municipal Corporation (MBMC)

VIII. Call to Action

- Invitation to work together
- Collaboration & Partnership
- Opportunities
- Common goals & mutual benefit
- Need of expertise, guidance and support - Academic, Logistical, Non-Financial Support, Financial Support, etc
- CSR
- Budget Breakdown

IX. Conclusion

- Summary of key vision points
- Call to action for stakeholders to collaborate and implement the vision
- Vision statement for Mira Bhayandar @2047

I. Introduction

3. Foreword Message from key stakeholders and their vision for Mira Bhayandar Commissioner & Administrator of MBMC

Photo

Dear All,

It is with a deep sense of commitment and optimism that I extend my heartfelt greetings to all of you. As the Commissioner & Administrator of the Mira Bhayandar Municipal Corporation (MBMC), I am privileged to pen down my thoughts on this significant occasion as we embark on a transformative journey towards shaping the future of our beloved city @2047.

Mira Bhayandar is more than just a geographical entity; it is a vibrant community of diverse cultures, aspirations, and dreams. As the custodians of governance and administration, it is our solemn duty to ensure that the aspirations of our every resident are realized, and the potential of our city is fully unlocked.

Our vision for Mira Bhayandar @2047 is one of holistic development, encompassing key areas such as education, women empowerment, health, environment, and infrastructure. We recognize the interconnectedness of these elements and are committed to fostering their growth and sustainability.

In line with our vision, the goal of city branding for Mira Bhayandar @2047 is to give the identity of the "City of Primary Education." We aim to position Mira Bhayandar as a hub of knowledge, innovation, and learning, where every individual has access to quality education and lifelong learning opportunities.

As we chart our course towards a brighter future, I would like to share three important principles that guide our efforts for an enriching life in Mira Bhayandar:

1. **Women Empowerment:** We believe in the inherent strength and potential of women and are committed to creating opportunities for their empowerment and leadership in all spheres of life.
2. **Digital & Technological Solutions/Empowerment:** We recognize the transformative power of digital and technological solutions in enhancing efficiency, transparency, and accessibility of services. We are committed to leveraging these tools to empower our citizens and enhance their quality of life.
3. **Welfare of our Employees and the Entire Community of our Society:** Our employees are the backbone of our organization, and their well-being is paramount to us. We are dedicated to ensuring their welfare, as well as the welfare of the entire community we serve, through inclusive policies and programs.

Together, let us embark on this journey towards a brighter and prosperous future for Mira Bhayandar. Let us unite our efforts, harness our collective strengths, and build a city that we can all be proud of. With dedication, determination, and a spirit of solidarity, I am confident that we can overcome any challenge and achieve our vision for Mira Bhayandar @2047.

Thank you for your unwavering support and cooperation.

Warm regards,

Sanjay Shripatrao Katkar IAS
Commissioner & Administrator
Mira Bhayandar Municipal Corporation

Mira Bhayandar

I. Introduction

Mira Bhayandar @2047 Conclave
Innovate, Connect, Prosper

In the grand narrative of India's march towards its 100th year of Independence in 2047, the period leading up to this historic milestone, the Amrit Kaal, stands as a pivotal era of opportunity and transformation. At the heart of this epochal journey lies Mira Bhayandar—a city pulsating with promise, poised to redefine the contours of progress and prosperity.

Initiated under the sagacious leadership of the Commissioner & Administrator of MBMC Shri Sanjay Shripatrao Katkar (IAS), the concept of Mira Bhayandar @2047 embodies a collective vision for a vibrant and inclusive future. As architects of this vision, the Mira Bhayandar Municipal Corporation's Innovation Cell (MBMC-IC) has been entrusted with the mandate to spearhead transformative initiatives that resonate with the ethos of good governance and sustainable development.

The Mira Bhayandar @2047 Conclave, convened on 9th and 10th February 2024, marks a seminal milestone in our journey towards realizing this vision. With its resonant theme, "Innovate, Prosper, Connect," the conclave serves as a fulcrum of dialogue, innovation, and collaboration—a crucible where ideas are forged, partnerships are nurtured, and aspirations are translated into action.

More than a mere gathering of minds, the conclave represents a clarion call to action—a rallying cry for all stakeholders to unite in their commitment to chart a course towards a brighter future. Through deliberation, discourse, and strategic planning, the conclave seeks to lay the foundation for a future where every citizen of Mira Bhayandar can thrive and flourish.

Mira Bhayandar's development will not only uplift its own residents but also have a ripple effect, benefiting the surrounding and neighboring areas. Situated strategically amidst Mumbai to its south, Thane to its east, and Vasai-Virar to its north, Mira Bhayandar's progress will be synonymous with the progress of the entire Mumbai Metropolitan Region (MMR).

As we embark on this odyssey towards Mira Bhayandar @2047, let us be guided by the principles of inclusivity, sustainability, and equitable growth. Let us harness the power of innovation, the resilience of our community, and the spirit of collaboration to carve out a future that is reflective of our collective aspirations and values.

This introduction marks the commencement of a transformative journey—a journey that is characterized by vision, determination, and a steadfast commitment to the well-being and prosperity of all residents of Mira Bhayandar. Together, let us embark on this odyssey towards Mira Bhayandar @2047—a journey that holds the promise of a brighter tomorrow and a more prosperous future for generations to come.

I. Introduction

Importance of Creating a Comprehensive Vision Document

A comprehensive vision document serves as a guiding beacon, illuminating the path towards a desired future state for a city, region, or organization. It encapsulates the collective aspirations, goals, and strategies envisioned by key stakeholders, policymakers, and community members. Here's an elaboration on the importance of creating such a document:

1. **Clarity of Purpose:** A comprehensive vision document provides clarity of purpose by articulating the overarching goals and objectives that the entity aims to achieve. It serves as a roadmap, delineating the strategic direction and priorities that will steer decision-making and resource allocation.
2. **Alignment of Efforts:** By establishing a shared vision, a comprehensive document aligns the efforts of various stakeholders towards common objectives. It fosters collaboration and synergy among government agencies, private sector entities, civil society organizations, and the community at large, thereby maximizing the impact of collective action.
3. **Strategic Planning:** A well-crafted vision document lays the foundation for strategic planning by identifying key challenges, opportunities, and priorities for intervention. It enables stakeholders to develop targeted strategies, policies, and initiatives that address the most pressing needs and capitalize on emerging trends.
4. **Stakeholder Engagement:** The process of creating a comprehensive vision document involves extensive stakeholder engagement, ensuring that diverse perspectives, voices, and interests are represented. This inclusive approach fosters ownership and buy-in from all stakeholders, enhancing the document's legitimacy and effectiveness.
5. **Long-term Sustainability:** A vision document transcends short-term objectives and focuses on long-term sustainability and resilience. By integrating principles of sustainable development, environmental conservation, and social equity, it ensures that progress is not only achieved but also sustained over time, benefiting present and future generations.
6. **Adaptability and Flexibility:** In a dynamic and evolving landscape, a comprehensive vision document provides a framework that is adaptable and flexible to changing circumstances. It allows for iterative refinement and adjustment in response to new challenges, emerging opportunities, and evolving priorities, ensuring relevance and effectiveness over time.
7. **Accountability and Monitoring:** A clear and comprehensive vision document facilitates accountability by establishing measurable targets, indicators, and milestones for tracking progress and

performance. It enables stakeholders to monitor implementation efforts, evaluate outcomes, and course-correct as needed, fostering a culture of transparency and accountability.

8. Empowerment and Participation: The process of creating a comprehensive vision document should prioritize the empowerment and active participation of community members. By involving residents, businesses, and other stakeholders in the visioning process, we can ensure that the document truly reflects the aspirations and priorities of the entire community. Empowering individuals to contribute their ideas, insights, and expertise fosters a sense of ownership, inclusivity, and democratic governance, ultimately leading to more sustainable and equitable outcomes.

9. Communication and Transparency: Effective communication and transparency are essential pillars of the visioning process. Clear and transparent communication throughout the development of the vision document builds trust, fosters consensus, and enhances the credibility of the final product. It is crucial to ensure that all stakeholders are informed about the progress, decisions, and outcomes of the visioning process. Moreover, disseminating the vision document widely ensures broad awareness and understanding among all members of the community, further promoting transparency and accountability.

10. Integration of Lessons Learned: Learning from past experiences is integral to the development of a comprehensive vision document. By reflecting on the successes, failures, and best practices of previous initiatives, we can glean valuable insights that inform the visioning process. Integrating lessons learned into the development of the vision document ensures that it is grounded in reality and practical experience, enhancing its relevance, effectiveness, and sustainability. By embracing a culture of continuous learning and improvement, we can create a vision document that is not only aspirational but also feasible and actionable.

The vision document for Mira Bhayandar @2047 represents a meticulous blueprint, meticulously crafted to guide the city towards a future defined by prosperity and sustainability. Commencing with heartfelt foreword messages from eminent stakeholders, including the Hon'ble Chief Minister of Maharashtra, distinguished political representatives, and the esteemed Commissioner & Administrator of MBMC, the document sets a tone of collaboration and inclusivity. Providing a comprehensive overview of the Mira Bhayandar @2047 Conclave, it underscores the conclave's pivotal role as a nexus for dialogue, innovation, and partnership. Emphasizing the paramount importance of crafting a comprehensive vision document, the introduction offers a tantalizing glimpse into the thematic tapestry and strategic imperatives that define the document's narrative. From the empowerment of women and the strategic branding of the city to the assurance of safety, the cultivation of education and youth, the enhancement of healthcare, and a stirring call to action for stakeholders, each section delves deeply into pivotal aspects of Mira Bhayandar's developmental trajectory. Culminating with a resounding vision statement that encapsulates the collective aspirations for the city's future, the document concludes with a compelling call to arms for unified action and collaboration, underscoring

the shared responsibility of all stakeholders in sculpting a vibrant and prosperous Mira Bhayandar for posterity.

In essence, the creation of a comprehensive vision document is not merely a bureaucratic exercise but a transformative process that catalyzes positive change, fosters collective action, and empowers communities to shape their own destinies. It embodies the aspirations, hopes, and dreams of a community united in its pursuit of a better tomorrow.

II. Women Empowerment

Insights from Day 1 speakers:

1) Mr. Arvind Jagtap - Women Empowerment from the Perspective of Men

About the Speaker

Arvind Jagtap, born on September 20, 1977, is a versatile creative talent renowned for his contributions to Marathi cinema, literature, and the television industry. As a poet, lyricist, and scriptwriter, he has captivated audiences with his distinctive writing style, blending elements of comedy, satire, and pragmatism. With acclaimed works such as "Kopryatun" and "Jhalya Tinhi Sanja," Jagtap's literary journey traverses the realms of entertainment and enlightenment, earning him accolades on esteemed platforms like Prithvi Theatre in Mumbai and festivals across India.

Summary of Session

Arvind Jagtap's discourse on women's empowerment resonated with pressing societal themes and concerns. He emphasized the pivotal role of political participation, stressing the significance of securing voting rights and active engagement in the electoral process as foundational pillars of women's empowerment. However, despite strides in this realm, systemic barriers and ingrained gender biases continue to impede women's full participation.

Beyond politics, Jagtap shed light on the economic disparities faced by women, advocating for a paradigm shift in societal attitudes. He showcased examples of women surpassing societal expectations, underscoring the transformative potential of a more inclusive and supportive environment. Additionally, he highlighted the importance of women assuming leadership roles and the positive impact they can wield, drawing parallels with environmental conservation efforts.

Addressing prevalent issues such as male misconduct and addiction, Jagtap emphasized the need for unity and collective action. He challenged the notion that women require permission to succeed, advocating instead for genuine respect, support, and collaboration with men. Furthermore, he underscored the influential role of mothers in shaping societal values and fostering integrity, calling for parental vigilance to combat corruption.

Reflecting on the patriarchal biases ingrained in educational systems, Jagtap highlighted the ongoing need for familial support and collaborative efforts between genders. He urged women to catalyze positive change within their lives, emphasizing the collective effort required to achieve broader societal progress.

In essence, Jagtap's speech encapsulated the imperative of collective action and unwavering commitment from all individuals, irrespective of gender, to foster a more equitable and just future.

II. Women Empowerment

Insights from Day 1 speakers:

2) Dr. Vinaya Shetty - Digital Empowerment of Women

About the Speaker

Dr. Vinaya Shetty, the Founder & President of VIN Management Consultants Pvt Ltd in Mumbai, India, holds the distinction of being the first Indian elected to the position of General Vice President at the International Organisation Development Association (IODA) since its establishment in 1986. With over 25 years of expertise in Strategic HR, OD, and Career Consulting, Dr. Vinaya has been instrumental in facilitating change and transformation across numerous organizations in India. She brings a wealth of experience in cultivating vibrant work cultures to unlock talent potential, with a focus on Transformation and Executive Coaching. Recognized as a finalist for the UNCTAD Empretec Woman in Business Award, she is renowned for her strategic thinking in aligning development plans with business objectives. Dr. Vinaya holds degrees in Psychology and Personnel Management, complemented by certifications in coaching and strategic management. She actively contributes to professional and community enrichment as the Co-Chair at IODA India and the lead for OI Partners spouse assistance program. Committed to empowering women entrepreneurs, she is currently pursuing law to provide legal support at subsidized rates. Balancing her professional endeavors, she finds solace in meditation, arts, and volunteering to combat loneliness among seniors.

Summary of Session

Women empowerment is a multifaceted process through which women gain autonomy and control over their lives, enabling them to make strategic choices. Dr. Vinaya delineates five crucial components of women empowerment: a sense of self-worth, the right to choose, access to opportunities and resources, the power to control their lives both within and outside the home, and the ability to influence social change at domestic and global levels.

Empowering women entails challenging the foundational structures of institutions that perpetuate gender discrimination and inequality. At the core of empowerment lies the fundamental principle of individuals controlling their destinies. The 2030 agenda for sustainable development, comprising 17 goals adopted by world leaders in 2015, underscores the inseparable link between achieving these goals and empowering women. The fifth Sustainable Development Goal (SDG) emphasizes the pursuit of gender equality, encompassing ending gender disparity, eliminating violence against women, eradicating early and forced marriage, and ensuring equal participation and opportunities. Notable figures like Theo Dora, Emily Doo Shelly, and Ada Lovelace, among others, have spearheaded crucial reforms on issues such as divorce laws, property rights, and the prohibition of trafficking, setting a precedent for gender equity advocacy.

The twentieth century witnessed significant milestones in the fight for gender equality, from the adoption of "Seca Gowa" as a symbol of female empowerment by the National American Woman

Suffrage Association to Rosalind Franklin's groundbreaking DNA research. Despite these advancements, women in the US continue to grapple with systemic challenges, including voting rights infringements and wage disparities. Leadership roles in Fortune 500 companies remain predominantly male, underscoring the persistent gender gap in corporate governance. Conversely, India's journey towards gender equality showcases notable achievements, with women actively participating in drafting the Indian Constitution. However, substantial disparities persist, highlighting the ongoing struggle for gender parity.

The key takeaway for Mira Bhayandar lies in recognizing these realities and acknowledging that striving for a more equitable future is imperative for both social and economic progress.

II. Women Empowerment

Insights from Day 1 speakers:

3) Ms. Preethi Maroli - Leadership Qualities of Women

About the Speaker

Ms. Preethi Maroli brings over 25 years of distinguished experience as a global brand builder and esteemed board member. As the Founder of "Stretching Goats" Brand Consultancy, she has demonstrated her acumen in brand strategy and communication. Previously serving as the Global Business Director at JWT, London, she spearheaded communications for Unilever's global brand portfolio across four continents. Ms. Maroli is actively engaged in the international board of Bookwallah USA, an NGO dedicated to empowering children affected by trauma through the transformative power of storytelling. With a profound interest in human behavior, she has traversed the realms of India, Hong Kong, Singapore, Thailand, and the UK, enriching her diverse professional journey. Her career encompasses engagements with digital agencies and startups, with a particular emphasis on grassroots initiatives supporting women's empowerment.

Summary of Session

Despite constituting nearly half of India's population, women's participation in the workforce remains alarmingly low at 24%. This disparity is further exacerbated in corporate leadership positions, where the representation of women CEOs significantly lags behind. However, amidst these challenges, a promising trend emerges in the ascent of women entrepreneurs, buoyed by India's vibrant startup ecosystem. Yet, effecting tangible change necessitates a comprehensive approach, commencing at the grassroots level - the household. The redefinition of how we nurture and empower women within our communities forms the cornerstone of this endeavor.

"Defining ambition, career, and goals through the lens of a girl or woman creates an inherent disadvantage."

Empowering women demands a paradigm shift in fostering their ambition and dismantling societal constraints that dictate their trajectories to success. The innate leadership qualities inherent in women are undeniable. Mothers, often the pillars of households, exhibit exceptional skills in relationship building, crisis decision-making, budgeting, team management, and beyond. Recognizing these inherent strengths and championing their application in broader spheres is paramount.

Achieving transformational change necessitates the active participation of women. Embracing leadership roles and challenging stereotypes requires self-belief and collective action to dismantle existing barriers. By encouraging women to step forward, we can cultivate a more equitable and dynamic workforce, thereby fostering economic growth and societal well-being across India.

II. Women Empowerment

Action Plan for achieving Women Empowerment in Mira Bhayandar @2047:

The Action Plan for achieving women empowerment in Mira Bhayandar @2047 represents a pivotal initiative aimed at catalyzing transformative change and fostering inclusive development within the region. Grounded in the principles of gender equality, social justice, and economic empowerment, this action plan embodies Mira Bhayandar's commitment to creating a future where every woman is empowered to realize her full potential and contribute meaningfully to society. By addressing systemic barriers, promoting equitable opportunities, and nurturing a supportive ecosystem, this action plan seeks to unleash the untapped potential of women as drivers of progress and agents of change. With a strategic focus on education, employment, entrepreneurship, and awareness-building, Mira Bhayandar aims to cultivate a culture of empowerment that transcends generations and paves the way for a more prosperous and inclusive future. Through collaborative partnerships, targeted interventions, and a shared vision for gender equity, the Action Plan for women empowerment in Mira Bhayandar @2047 sets forth a roadmap towards a society where women are empowered, respected, and celebrated as equal partners in the journey towards holistic development. This plan encompasses a multifaceted approach, addressing the following:

Education and Skill Development Programs:

The cornerstone of women empowerment lies in access to quality education and tailored skill development initiatives. Mira Bhayandar must spearhead the implementation of innovative educational programs designed to address the unique barriers hindering women's advancement. This entails establishing specialized vocational training centers, equipped with state-of-the-art facilities and industry-relevant curriculum, aimed at enhancing women's employability across diverse sectors. Furthermore, collaboration with renowned educational institutions and industry leaders will facilitate the creation of mentorship programs and internship opportunities, fostering a conducive environment for women to acquire practical skills and pursue rewarding career paths.

Equal Opportunities in Employment and Entrepreneurship:

Fostering gender parity in the workforce and entrepreneurship landscape is imperative for driving sustainable economic growth and societal progress. Mira Bhayandar should prioritize the enactment and enforcement of progressive policies aimed at eliminating gender-based disparities in employment, including wage differentials and discriminatory hiring practices. Moreover, incentivizing women-led startups and enterprises through dedicated funding schemes, tax incentives, and access to venture capital will catalyze entrepreneurial innovation and drive economic empowerment at the grassroots level. By promoting inclusive workplace cultures and providing leadership development opportunities, Mira Bhayandar can empower women to ascend to leadership positions and contribute meaningfully to the region's socio-economic development.

Awareness Campaigns and Support Systems:

Raising awareness and challenging entrenched societal norms are crucial steps towards fostering a culture of gender equality and inclusivity. Mira Bhayandar must leverage its platforms to launch targeted awareness campaigns, workshops, and community outreach initiatives, aimed at dismantling gender stereotypes and promoting positive attitudes towards women's empowerment. Additionally, the establishment of comprehensive support systems, including 24/7 helplines, legal aid clinics, and safe spaces, will provide women with the necessary resources and assistance to navigate challenges such as gender-based violence, discrimination, and economic marginalization. By fostering a supportive ecosystem that champions women's rights and agency, Mira Bhayandar can pave the way for transformative social change and sustainable development.

Through steadfast commitment, collaboration, and strategic interventions, Mira Bhayandar can realize its vision of comprehensive women empowerment, where every woman has the opportunity to thrive, contribute, and lead with dignity and equality.

III. City Branding

Highlights from Mr. Tarunsingh Chavan's Session

About the Speaker

With an illustrious career spanning over 15 years in strategic management and leadership consulting, Mr. Tarun Singh Chauhan stands as a beacon of expertise in driving organizational growth and efficiency. Renowned for his adeptness in crafting innovative strategies and fostering cohesive teamwork, he has been instrumental in optimizing operational processes for numerous businesses. Mr. Chauhan's unique blend of analytical acumen and profound industry insights has consistently delivered tailored solutions, earning him a reputation as a trusted advisor in the realm of management consulting.

Summary of Session

Crafting a city's brand identity is an intricate and multifaceted endeavor, demanding patience and a strategic long-term approach. Drawing inspiration from Indore, heralded as India's "Cleanest City," offers profound insights into the transformative potential of effective branding. Take, for instance, Chapan Bog, initially perceived as a humble restaurant locale, which has blossomed into a vibrant street food hub, boasting 56 vendors. Its evolution into a culinary destination of repute underscores the power of deliberate branding efforts in reshaping perceptions.

For residents of Indore, the mere mention of "City highlights" evokes images of Chapan Bog, a testament to the potency of meticulously crafted narratives. Similarly, recognizing Mira Bhayandar's potential as a "Twin City" can revolutionize residents' perception, elevating it beyond a mere suburb. Embracing a metropolitan identity not only acknowledges but also amplifies the city's stature, fostering a collective mindset aligned with this visionary outlook.

In today's dynamic brand landscape, transcendence beyond products and names is paramount. Brands like Nike, Apple, and Starbucks exemplify this paradigm shift, where their mere presence elevates the cultural fabric of an area. Rooted in a tapestry of values, symbols, and iconic experiences, these brands redefine traditional notions of branding. Starbucks, for instance, epitomizes successful branding through the cultivation of a unique experiential environment, transcending reliance on conventional advertising channels. Envisioning Mahatma Gandhi as a modern brand underscores the profound impact of values, rituals, and symbolic imagery in crafting a compelling brand narrative. City branding, by extension, operates on similar principles, shaping the collective perception and experience of a city among its residents and visitors alike.

III. City Branding

Strategies for City Branding

Promotion of Local Culture and Heritage:

In addition to highlighting cultural festivals and heritage sites, the Public Works Department (PWD) can play a pivotal role in preserving and enhancing the city's cultural infrastructure. This includes the restoration and maintenance of historical monuments, heritage buildings, and archaeological sites, ensuring they serve as living testaments to Mira Bhayandar's rich legacy. Furthermore, the integration of interpretive signage, public art installations, and heritage trails can enhance visitor experiences and foster a deeper appreciation for the city's cultural heritage.

Development of Tourism Infrastructure:

The PWD's expertise in infrastructure development can be leveraged to enhance Mira Bhayandar's tourism infrastructure, creating visitor-friendly amenities and attractions. This may involve the construction or renovation of tourist information centers, viewpoint platforms, walking trails, and recreational facilities in key tourist zones. Additionally, the enhancement of road networks, signage, and parking facilities can improve accessibility and ease of navigation for tourists, enhancing their overall experience and encouraging longer stays in the city.

Collaborative Efforts with Local Businesses and Communities:

Collaboration with local businesses and communities remains essential for successful city branding initiatives. The PWD can engage with local businesses to beautify commercial districts, enhance streetscapes, and create inviting public spaces that reflect the city's identity and character. This may involve streetscape improvements, landscaping, street furniture installation, and façade enhancement programs to create a visually appealing and pedestrian-friendly environment. Furthermore, partnerships with community-based organizations and residents' associations can facilitate grassroots initiatives such as neighborhood clean-up drives, community gardens, and public art projects, fostering a sense of pride and ownership among residents.

Integration of Sustainable Practices:

As stewards of the city's infrastructure, the PWD can prioritize sustainable practices in city branding efforts, aligning with global trends towards eco-friendly and responsible tourism. This may involve the implementation of green infrastructure projects such as rainwater harvesting systems, solar-powered lighting, and green spaces to enhance environmental sustainability and mitigate the impact of tourism on natural resources. Additionally, initiatives to promote eco-tourism and responsible travel, such as nature trails, wildlife conservation programs, and educational eco-tours, can showcase Mira Bhayandar's commitment to environmental stewardship while offering unique experiences for visitors.

Innovative Technology Integration:

The PWD can leverage innovative technologies to enhance city branding efforts and provide immersive digital experiences for residents and visitors. This may include the development of virtual tours, augmented reality applications, and interactive multimedia exhibits that showcase the city's cultural heritage, attractions, and points of interest. Furthermore, the implementation of smart city solutions, such as digital wayfinding systems, real-time information kiosks, and smart transportation networks, can enhance visitor experiences, improve urban mobility, and position Mira Bhayandar as a forward-thinking and technologically advanced destination.

Utilization of Natural Resources for Eco-Tourism:

Mira Bhayandar lies at the footsteps of Sanjay Gandhi National Park, offering abundant natural resources for eco-tourism. The integration of these natural assets into the city's branding strategy can highlight the city's unique geographical location and biodiversity. Initiatives such as nature trails, birdwatching tours, and wildlife conservation programs can showcase the city's commitment to environmental preservation while providing memorable experiences for visitors.

Role of Maharashtra Coastal Zone Management Authority (CZMA) & Mira Bhayandar Lying in Coastal Regulation Zone (CRZ) Region:

Given its location in the Coastal Regulation Zone (CRZ) region, Mira Bhayandar boasts significant ecological resources such as creeks, mangroves, and coastal habitats. Collaboration with the Maharashtra Coastal Zone Management Authority (CZMA) can help in the sustainable management and conservation of these coastal ecosystems, ensuring their protection while promoting eco-friendly tourism initiatives. By integrating the coastal landscape into city branding efforts, Mira Bhayandar can showcase its unique coastal heritage and environmental significance, attracting visitors while safeguarding its natural assets for future generations.

Incorporating these additional aspects into the city branding strategy not only amplifies Mira Bhayandar's unique identity but also ensures sustainable growth, community engagement, and environmental stewardship for generations to come. Through collaborative efforts and innovative solutions, the city can elevate its brand presence, attract visitors, and foster economic prosperity while preserving its cultural heritage and natural resources.

III. City Branding

Pattern of City Branding for Mira Bhayandar @2047

The Pattern for City Branding of Mira Bhayandar @2047 serves as a comprehensive blueprint for elevating the city's identity, amenities, and services in line with its forward-looking vision. Crafted meticulously by the MBMC's Innovation Cell (IC), this document encapsulates a commitment to innovation, sustainability, and excellence in urban development. At its essence, the pattern underscores the significance of embracing a holistic approach to branding strategies, efficient infrastructure, community engagement, and environmental stewardship to foster inclusive growth and enhance residents' quality of life.

One of the key pillars of the pattern is the implementation of a unified branding approach, ensuring consistent branding elements across all ongoing or completed projects. This aims to reflect the spirit of Mira Bhayandar @2047, reinforcing the city's aspirations and identity. Moreover, efficient traffic management strategies, including the integration of intelligent traffic signal systems and dynamic message signs, seek to enhance traffic flow and safety, further contributing to the city's livability.

Enhanced public transport infrastructure, featuring smart bus stops and E-buses powered by renewable energy sources, is poised to promote accessibility, comfort, and sustainability, thereby reducing reliance on private vehicles. Additionally, city beautification initiatives, such as upgrading footpaths and incorporating greenery and public art installations, aim to create vibrant and welcoming urban spaces that celebrate local culture and heritage.

Clear signage standards and well-designed intersections are envisioned to improve wayfinding and navigation within the city, ensuring residents and visitors can easily locate destinations and amenities. Rejuvenated parks and gardens, equipped with modern amenities and native flora, are set to serve as vibrant community hubs for recreation and social interaction, fostering a sense of belonging among residents.

Efficient lighting solutions, standardized government buildings, and improved public facilities underscore the commitment to enhancing safety, sustainability, and functionality across the city. Moreover, environmental initiatives, including waste management, sewage treatment, and water conservation measures, are poised to minimize ecological impact and preserve natural resources.

Educational excellence initiatives, aimed at transforming MBMC schools into centers of excellence with state-of-the-art infrastructure and innovative teaching methods, reflect a commitment to nurturing future generations and fostering lifelong learning. Additionally, active participation in state and national missions underscores the city's dedication to addressing urban challenges and promoting community development.

Crucially, the Public Works Department (PWD) stands at the forefront of the implementation of the pattern of city branding for Mira Bhayandar @2047. Leveraging its expertise and resources, the PWD plays a pivotal role in executing infrastructure projects, ensuring adherence to quality standards, and driving forward the city's transformational agenda. As Mira Bhayandar embarks on this transformative journey, the collaborative efforts of various stakeholders, guided by the principles of transparency, collaboration, and accountability, are essential to realizing the city's vision for a prosperous and sustainable future.

IV. Safe City Initiative

Insights from Speaker

Highlights from Mr. D. Sivanandhan's Session

The Safe City Initiative, as elucidated by Mr. D. Sivanandhan, embodies a comprehensive strategy aimed at safeguarding the residents of Mira Bhayandar. Drawing from his wealth of experience, Mr. Sivanandhan emphasizes the imperative need for preparedness to counter any potential danger, whether stemming from internal vulnerabilities or external threats. This proactive stance underscores the city's commitment to ensuring the safety and security of its populace.

Central to the initiative is the establishment of robust security mechanisms, including specialized anti-riot and mob-controlling forces, meticulously designed to maintain law and order effectively. Recognizing the indispensable role played by both the MBMC and the Mira Bhayandar Vasai Virar (MBVV) Police, the initiative underscores the critical importance of seamless collaboration between these entities. Such collaboration is pivotal for the successful implementation of safety measures and the swift response to emergent threats.

Moreover, efforts are underway to bolster CCTV surveillance capabilities across the city, enhancing coverage of public spaces to deter criminal activities and facilitate rapid responses to emergencies. The expansion of surveillance infrastructure reflects a proactive approach to preempting security breaches and ensuring the safety of citizens.

Disaster preparedness constitutes a cornerstone of the Safe City Initiative, encompassing a comprehensive suite of measures to mitigate risks posed by fire hazards, floods, and other natural or man-made disasters. The safety of citizens is unequivocally prioritized, with preventive measures rigorously emphasized alongside the fortification of response systems. While prevention remains the ideal, the initiative recognizes the imperative of strengthening response capabilities to address unforeseen challenges promptly and effectively.

Crucially, Mr. Sivanandhan underscores the pivotal role of citizen involvement in creating a safe environment. By engaging the community in safety initiatives, the initiative aims to cultivate a sense of ownership and responsibility among residents, empowering them to actively contribute to the city's security efforts. Furthermore, the nexus between the environment, education, and innovation is accentuated, highlighting the holistic nature of the approach to city safety.

In essence, the Safe City Initiative represents a proactive and multifaceted strategy designed to address safety concerns comprehensively. Through collaboration, innovation, and community engagement, Mira Bhayandar endeavors to create a secure and resilient urban environment. By fostering a culture of vigilance, preparedness, and collective responsibility, the city aspires to ensure the well-being and security of all its residents, now and in the future.

IV. Safe City Initiative

Action Plan for Safe City

The Action Plan for the Safe City Initiative in Mira Bhayandar encompasses a multifaceted approach aimed at fostering a secure and resilient urban environment. Central to this plan is the implementation of community policing and neighborhood watch programs, which serve as pillars of proactive crime prevention. By engaging with local communities and empowering citizens to actively participate in safeguarding their neighborhoods, these programs bolster trust between law enforcement agencies and residents, fostering a collaborative approach to crime deterrence and detection.

In tandem with community policing efforts, the Action Plan prioritizes environmental awareness and conservation initiatives as integral components of ensuring city safety. Recognizing the interconnectedness between environmental health and public well-being, the plan seeks to promote sustainable practices and mitigate environmental risks that may compromise safety. Initiatives such as tree planting drives, waste management programs, and pollution control measures not only contribute to a healthier environment but also enhance the overall resilience of the city against natural disasters and climate-related hazards.

Education and training on safety measures constitute another key pillar of the Action Plan, aimed at equipping residents with the knowledge and skills necessary to mitigate risks and respond effectively to emergencies. Through targeted educational campaigns, workshops, and drills, the plan seeks to raise awareness about various safety protocols, including fire safety, first aid, and disaster preparedness. By empowering individuals with the tools to protect themselves and others, the plan fosters a culture of safety consciousness and resilience within the community.

Furthermore, the Action Plan outlines specific strategies and interventions tailored to address the highlighted aspects of a safe city. This includes comprehensive measures to enhance surveillance capabilities through the installation of CCTV cameras in strategic locations, the deployment of rapid response teams for emergency situations, and the establishment of dedicated helplines for reporting incidents and seeking assistance. Additionally, the plan emphasizes the importance of inter-agency coordination and collaboration to ensure seamless implementation and effective enforcement of safety measures.

Incorporating state-of-the-art technology and high-tech solutions forms an integral part of the Action Plan for Safe City Mira Bhayandar @2047. Leveraging advanced surveillance systems, AI-driven analytics, and real-time data monitoring, the city aims to enhance its security infrastructure and response capabilities. Additionally, the adoption of smart technologies such as IoT sensors, predictive analytics, and geospatial mapping enables proactive risk assessment and targeted interventions, ensuring a more efficient and effective approach to crime prevention and emergency management.

In essence, the Action Plan for the Safe City Initiative reflects a proactive and holistic approach to urban safety, grounded in community engagement, environmental stewardship, education, and technological innovation. By mobilizing resources, fostering partnerships, and embracing cutting-edge solutions, Mira Bhayandar endeavors to create a safe, resilient, and technologically advanced city for all its inhabitants.

Figure 1: Safe City Initiative

The Safe City Initiative is a comprehensive framework designed to enhance urban safety and resilience. It encompasses various domains, including infrastructure, community engagement, environmental stewardship, and technological innovation. The initiative aims to create a safe, resilient, and technologically advanced city for all its inhabitants. The framework is structured around four main pillars: Infrastructure, Community Engagement, Environmental Stewardship, and Technological Innovation. Each pillar is further divided into specific action items and goals, ensuring a holistic and proactive approach to urban safety.

V. Education and Youth

Key takeaways from Day 2 speakers

1) Dr. Dnyaneshwar Mulay - Empowering youth for environmental sustainability

About the Speaker

Dr. Dnyaneshwar Mulay is a distinguished figure with a rich tapestry of experiences spanning diplomacy, public service, and intellectual pursuits. His illustrious career of 36 years in the Indian Foreign Service (1983-2019) earned him the title "Passport Man of India" for his groundbreaking reforms in passport services. Throughout his tenure, he held prestigious positions within the Government of India, including Secretary to the Government and roles within the Ministries of Finance, Commerce, and External Affairs, showcasing his versatile expertise. His contributions extended to the Cabinet Secretariat, demonstrating his adeptness in navigating complex governmental structures. Dr. Mulay's intellectual prowess is evident in his acclaimed literary works, such as "Swatahteel Awakash" (Marathi poetry) and "Maati, Pankh aani Aakash." Beyond his diplomatic endeavors, he captivates audiences as a motivational speaker, inspiring positive change and social justice advocacy. Currently, Dr. Mulay serves as a member of the National Human Rights Commission of India, exemplifying his unwavering dedication to advancing human rights and social welfare.

Summary of Session

In his address, Dr. Dnyaneshwar Mulay underscores the vibrant tapestry of diversity that defines Mira Bhayandar. He advocates for transcending ideological barriers and embracing the ethos of "Vasudev Kutumb" – one world, one nation. Recognizing the city's boundless potential, Dr. Mulay emphasizes the imperative of leveraging its natural assets, such as the national park, for eco-tourism initiatives. He underscores the intrinsic link between social, cultural, and educational spheres with the natural environment, urging a holistic approach to development.

Dr. Mulay challenges conventional notions of education, emphasizing the need for innovation and sustainable practices over reliance on technology-driven solutions. He calls upon Mira Bhayandar Municipal Corporation to spearhead initiatives towards achieving zero-carbon dioxide emissions by 2030, positioning the city as a beacon of environmental sustainability and attracting investments. Proposing the establishment of a Green industry, Dr. Mulay envisions Mira Bhayandar's ascendancy not only within Maharashtra but across India.

Highlighting concerns over the Indian education system, Dr. Mulay underscores the imperative of nurturing a generation of enlightened leaders and bureaucrats to drive the nation's progress. He stresses the importance of inclusive dialogue and ground-level engagement to address the unique challenges faced by rural communities, advocating for collective and holistic growth strategies.

Dr. Mulay's insights underscore the transformative potential of embracing sustainability, fostering educational excellence, and nurturing inclusive development paradigms to propel Mira Bhayandar towards a prosperous and harmonious future.

V. Education and Youth

Key takeaways from Day 2 speakers

2) Dr. Sudhir Gavhane - Harnessing Technology for Education

About the Speaker

Dr. Sudhir Gavhane is a luminary in the realm of higher education in India and a seasoned media expert. Formerly serving as the Vice-Chairperson of Yashwantrao Chavan Maharashtra Open University, he brings to the table a wealth of experience garnered over three decades of university-level teaching and research. Currently, he holds the esteemed position of Assessor for the quality of higher education at the National Assessment and Accreditation Council (NAAC), a role he has diligently fulfilled for the past 15 years.

His scholarly contributions span a wide array of publications, encompassing subjects ranging from journalism to rural development. Noteworthy among his Marathi publications are "Patrakarita: Shod & Bodha," "Gramin Patrakarita," and "Patrakarita Vichar & Vyawahar." His English publications include seminal works such as "Newspaper Economics," "Press Monopoly in India," and contributions to the South Asian Social Research Publication.

Summary of Session

Education serves as the bedrock of national progress, yet the recent UNESCO report revealing that 52% of school students struggle with basic literacy and numeracy underscores the urgent need for intervention. In Mira Bhayandar, the situation is particularly alarming, with only 23% of students proficient in reading and 25% in mathematics, as per a 2023 report. Understanding that knowledge empowers individuals and propels economic growth, it becomes imperative to enhance the quality of education in Mira Bhayandar.

Initiating one-on-one baseline assessments in Municipal Brihanmumbai Corporation (MBMC) schools will yield invaluable insights into areas requiring enhancement. Such initiatives have the potential to showcase that government schools, when equipped with effective strategies, can rival their private counterparts. However, achieving transformative change necessitates comprehensive reforms encompassing both physical infrastructure and pedagogical methodologies.

Nurturing a culture of knowledge innovation demands the cultivation of critical thinking skills and the embrace of diverse perspectives among students, thereby safeguarding against the constriction of intellectual horizons. Modernizing technology, infrastructure, teaching methodologies, and teacher training programs are indispensable facets of this transformative journey. Equally pivotal is the provision of tranquil study environments, highlighting the importance of expanding government libraries to furnish students with essential resources and conducive spaces for learning.

Drawing inspiration from cultural extravaganzas like Jaipur's esteemed Literature Festival, Mira Bhayandar can embark on similar ventures to enrich its cultural tapestry. Moreover, augmenting the number of government hospitals will ensure equitable access to affordable healthcare for all residents. By placing education reform and cultural enrichment at the forefront of its agenda, Mira Bhayandar can metamorphose into a culturally diverse and vibrant city, fostering harmony and innovation alike.

V. Education and Youth

Key takeaways from Day 2 speakers

3) Mr. Francis Joseph - Reforms in Education Policy

About the Speaker

With an illustrious career spanning over three decades in the education sector, Francis Joseph currently holds the position of Executive Director at GEMS Education. GEMS Education stands as a global leader with a formidable presence, boasting over 190 schools across various countries, catering to a diverse community of more than 171,000 students hailing from 170 nationalities.

A visionary leader, Francis Joseph has dedicated his career to delivering high-quality education in regions where accessibility is limited yet barriers are abundant. His speech at the conclave revolved around the profound theme of "Change or Be Changed." For Francis Joseph, this gathering wasn't just another event; it served as a catalyst for mindset transformation, a rallying cry for all stakeholders – students, educators, parents, communities, and society at large – to unlock the transformative potential of education.

Summary of the Session

In an era characterized by rapid technological advancements and instant connectivity, a compelling message resonated: education must adapt and evolve. Traditional educational institutions, entrenched in conventional paradigms, find themselves struggling to keep pace with students who have already embraced technological innovation. The evolving landscape of society lays bare a concerning disparity, with students prioritizing transient connections over fundamental skills and self-reliance.

Addressing this formidable challenge necessitates a shift beyond conventional accountability measures. Empowering students to take ownership of their learning journey and assume leadership roles in their education emerges as imperative. The New Education Policy (NEP) heralds a revolutionary approach, not confined to curriculum reform alone but encompassing the transformation of educators into facilitators, mentors, and exemplars. However, the onus does not solely rest on teacher training; parents also wield significant influence in nurturing their children's holistic development, necessitating their adaptation to the evolving educational landscape.

It is paramount to underscore the cardinal principles of quality, affordability, equity, and accountability in education. By challenging the status quo and advocating for critical examination of every facet of the educational system, we advocate for an agile and responsive approach. Moreover, there is a pressing need to involve children in co-creating their learning environments and fostering their entrepreneurial spirit to emerge as catalysts for change. The crux of transformation lies not solely in prescribed solutions but in fostering a holistic shift in mindset. It transcends mere educational reform; it beckons individuals to embark on a journey of self-transformation.

"The electric light did not come from continuous improvement of candles."

This poignant analogy underscores the imperative to transcend incremental changes and embrace radical transformation. Merely patching up a system designed for a bygone era is inadequate. We must forge a new path, one that equips every child not merely to survive but to thrive in an ever-evolving world. This clarion call extends beyond individual realms; it beckons all stakeholders invested in the future of education. It serves as a call to action, a plea for collaboration, and a summons for the courage to forge a system that genuinely empowers all learners to flourish in the dynamic landscape of tomorrow.

V. Education and Youth

Strategies for Education and Youth Development

Strategies for Education and Youth Development encompass a multifaceted approach aimed at nurturing the intellectual, social, and entrepreneurial potential of young minds while concurrently adapting educational policies and infrastructure to meet the evolving needs of Mira Bhayandar's burgeoning youth population.

Integration of technology in curriculum and teaching methods stands as a cornerstone of modern educational strategies. By incorporating cutting-edge technologies into the curriculum, such as interactive digital tools, virtual laboratories, and e-learning platforms, educators can enhance the learning experience and cater to diverse learning styles. Furthermore, leveraging technology facilitates access to educational resources and fosters digital literacy among students, preparing them for the demands of the digital age.

Promotion of entrepreneurship and innovation among youth is essential for fostering a culture of creativity, problem-solving, and economic empowerment. Implementing initiatives such as entrepreneurship training programs, startup incubators, and innovation hubs within educational institutions cultivates an entrepreneurial mindset among students, equipping them with the skills and confidence to pursue innovative ventures and contribute to economic growth.

Reforming education policies to adapt to changing needs involves a comprehensive review and overhaul of existing policies to align with the demands of the 21st-century workforce and societal dynamics. This includes revising curriculum frameworks to emphasize critical thinking, creativity, and practical skills alongside academic knowledge. Additionally, policies should prioritize inclusivity, equity, and accessibility to ensure that every student has equal opportunities for educational success.

Transforming the infrastructure of MBMC's 36 schools is imperative to provide conducive learning environments that inspire and empower students. Upgrading school facilities, including classrooms, laboratories, libraries, and recreational areas, enhances the overall learning experience and contributes to student engagement and academic achievement. Furthermore, investing in modern amenities such as technology-equipped classrooms, sports facilities, and green spaces promotes holistic development and well-being among students.

Employment-based education initiatives play a crucial role in preparing students for the workforce and facilitating their transition into the professional realm. By integrating vocational training programs, internships, and apprenticeships into the curriculum, educational institutions can provide students with practical skills, industry insights, and hands-on experience relevant to their chosen career paths. This empowers students to make informed career choices, enhances their employability, and fosters a seamless transition from education to employment.

By implementing these comprehensive strategies, Mira Bhayandar can foster a generation of educated, empowered, and innovative youth poised to lead the city towards a future of prosperity and progress.

V. Education and Youth

Target for Mira Bhayandar @2047: City of Education

The target to make Mira Bhayandar @2047 known for primary education signifies a transformative vision aimed at elevating the city's educational landscape to international standards while ensuring access to high-quality primary education for all children. This ambitious goal encompasses various strategic initiatives and concerted efforts aimed at enhancing the quality, accessibility, and inclusivity of primary education in Mira Bhayandar.

Key elements of this target include:

1. **Quality Enhancement:** Implementing measures to enhance the quality of primary education by introducing innovative teaching methodologies, modernizing curriculum frameworks, and investing in teacher training and professional development programs. Emphasis should be placed on fostering critical thinking, problem-solving skills, and digital literacy among primary school students.
2. **Infrastructure Development:** Upgrading and modernizing the infrastructure of primary schools in Mira Bhayandar to provide conducive learning environments equipped with state-of-the-art facilities, including well-equipped classrooms, libraries, laboratories, and recreational areas. Investing in technology-enabled learning resources and digital infrastructure will further enhance the educational experience for students.
3. **Inclusive Education:** Promoting inclusive education policies and practices to ensure that all children, including those from marginalized and underserved communities, have equal access to quality primary education. This involves addressing barriers to education such as poverty, gender inequality, disabilities, and social exclusion through targeted interventions and support mechanisms.
4. **Community Engagement:** Fostering active engagement and participation of parents, communities, and local stakeholders in the educational process to create a supportive and conducive learning ecosystem. Establishing partnerships between schools, community organizations, and local authorities will enable collaborative efforts to enhance primary education outcomes and address community-specific needs and challenges.
5. **Monitoring and Evaluation:** Establishing robust monitoring and evaluation mechanisms to track progress towards the target of making Mira Bhayandar @2047 known for primary education. Regular assessments, performance reviews, and feedback mechanisms will help identify areas of improvement and inform evidence-based decision-making to ensure continuous quality enhancement and accountability. By pursuing these strategic initiatives and harnessing the collective efforts of stakeholders, Mira Bhayandar can aspire to become a beacon of excellence in primary education, setting a benchmark for other cities to emulate. This vision reflects a commitment to nurturing the

next generation of empowered and educated citizens who will contribute to the city's social, economic, and cultural development in the years to come.

Mira Bhayandar

VI. Healthcare

In the realm of healthcare, Dr. Amol Annadate emerges as a beacon of transformative change, committing unwaveringly to elevate healthcare standards within the precincts of the Mira Bhayandar Municipal Corporation (MBMC). His visionary initiatives and strategic partnerships epitomize a proactive stance towards ameliorating the healthcare landscape. Dr. Annadate's holistic vision encompasses a multifaceted strategy, pivoting around pivotal areas primed for enhancement. These include fortifying primary healthcare infrastructure to ensure robust accessibility, proliferating the reach of essential medical services, and instituting preventative healthcare schemes to stem the tide of communicable maladies.

Moreover, his advocacy extends to forging symbiotic alliances with healthcare institutions and stakeholders, envisioning a collaborative ecosystem teeming with expertise, resources, and cutting-edge technology. By embracing innovative interventions and fostering synergistic collaborations, Dr. Annadate aspires to metamorphose the healthcare panorama of Mira Bhayandar. His mission is unequivocal: to safeguard the well-being and vitality of every denizen, thereby sculpting a healthier and more resilient community for generations to come.

VII. Ongoing Efforts by Mira Bhayandar Municipal Corporation (MBMC)

1. **Infrastructure Development:** MBMC is actively engaged in various infrastructure development projects aimed at enhancing the city's urban landscape. These initiatives include road widening, construction of flyovers and bridges, development of parks and recreational spaces, and improvement of public transportation facilities.
2. **Waste Management Initiatives:** MBMC has implemented innovative waste management practices to address the growing challenge of solid waste management. This includes the establishment of waste segregation and recycling centers, composting facilities, and awareness campaigns to promote responsible waste disposal among residents.
3. **Healthcare Services:** MBMC is committed to providing accessible healthcare services to all residents. Ongoing efforts include the expansion and modernization of healthcare facilities, recruitment of qualified medical staff, and the implementation of telemedicine and e-health initiatives to improve healthcare delivery.
4. **Education Enhancement:** Recognizing the importance of education in driving socio-economic development, MBMC is focused on improving the quality of education in its schools. This includes infrastructure upgrades, teacher training programs, and initiatives to promote digital literacy and educational innovation.
5. **Safety and Security:** MBMC collaborates with law enforcement agencies to ensure the safety and security of residents. Ongoing efforts include the installation of CCTV cameras, strengthening of community policing initiatives, and the implementation of disaster preparedness and response plans.
6. **Environmental Conservation:** MBMC is actively involved in environmental conservation efforts to preserve the city's natural heritage. This includes tree plantation drives, initiatives to reduce air and water pollution, and the protection of ecologically sensitive areas.
7. **Social Welfare Programs:** MBMC runs various social welfare programs aimed at improving the quality of life for vulnerable populations. This includes schemes for affordable housing, healthcare subsidies, financial assistance for education, and skill development initiatives for youth and women.
8. **Smart City Initiatives:** MBMC is leveraging technology and innovation to transform Mira Bhayandar into a smart and sustainable city. Ongoing initiatives include the deployment of smart infrastructure, digitization of public services, and the promotion of e-governance solutions to enhance citizen engagement and efficiency.

By highlighting these ongoing efforts, the section aims to showcase MBMC's proactive approach towards addressing key challenges and driving positive change in Mira Bhayandar.

VIII. Call to Action

Invitation to Work Together

The invitation to work together extends to all individuals, organizations, and institutions invested in the betterment of Mira Bhayandar. It is a call for collective action, urging stakeholders from various sectors to join hands in pursuit of shared goals and aspirations. Together, we can harness the power of collaboration to address complex challenges and drive meaningful change across the community.

Collaboration & Partnership

Collaboration and partnership form the cornerstone of our approach to sustainable development. We recognize that no single entity or organization can address the diverse array of challenges facing Mira Bhayandar alone. By forging strategic partnerships with government bodies, civil society organizations, academia, businesses, and community leaders, we can pool our resources, expertise, and networks to amplify our impact and achieve greater outcomes.

Opportunities

Amidst the challenges lie abundant opportunities for innovation, growth, and transformation. These opportunities span across various sectors, including education, healthcare, infrastructure, environmental sustainability, entrepreneurship, and community development. By embracing a spirit of collaboration and seizing these opportunities, we can unlock new pathways to progress and prosperity for the residents of Mira Bhayandar.

Common Goals & Mutual Benefit

Our collective endeavors are guided by a set of common goals aimed at advancing the well-being and prosperity of all members of the community. These goals include promoting inclusive economic growth, ensuring equitable access to essential services, preserving the environment, fostering social cohesion, and enhancing quality of life. By aligning our efforts towards these shared objectives, we can create a more cohesive, resilient, and thriving community where everyone has the opportunity to thrive.

Need for Expertise, Guidance, and Support

As we embark on this journey of collective action, we recognize the critical need for expertise, guidance, and support from a wide range of partners. Academic institutions can contribute valuable knowledge, research, and innovation to inform evidence-based decision-making and program design. Logistical support is essential for ensuring the smooth implementation of projects and initiatives, while non-financial support in the form of mentorship, capacity-building, and skill development programs enriches community engagement efforts.

Corporate Social Responsibility (CSR)

Corporate entities are encouraged to fulfill their corporate social responsibility by leveraging their resources, expertise, and influence to address pressing social, environmental, and economic challenges. Through strategic CSR initiatives aligned with community needs and priorities, businesses can make a meaningful impact on society while also enhancing their brand reputation and fostering goodwill among stakeholders. By engaging in collaborative partnerships with businesses, we can leverage their resources and expertise to drive positive change and create shared value for all.

Budget Breakdown

Category	Description	Amount (in INR)
Education and Youth Development	Integration of technology in curriculum and teaching methods	
	Promotion of entrepreneurship and innovation among youth	
	Reforming education policies to adapt to changing needs	
	Transforming the infrastructure of MBMC's 36 schools	
Healthcare	Commitments made by Dr. Amol Annadate for improving healthcare in MBMC	
	Healthcare initiatives and partnerships with MBMC	
	Focus areas for healthcare improvement	
Safe City Initiative	Community policing and neighborhood watch programs	
	Environmental awareness and conservation initiatives	
	Education and training on safety measures	
	Action plan for safe city initiatives	
City Branding	Promotion of local culture and heritage	

	Development of tourism infrastructure	
	Collaborative efforts with local businesses and communities	
	Additional aspects related to Public Works Dept of MBMC	
Environment Conservation and Sustainability	Implementation of eco-friendly practices and technologies for waste management, sewage treatment, and water conservation	
	Initiatives for renewable energy adoption	
	Afforestation and green spaces development	
	Conservation of natural resources and biodiversity	
Infrastructure Development	Upgradation of roads, bridges, and transportation networks	
	Construction and maintenance of public facilities	
	Improvement of water supply and sanitation systems	
	Revitalization of urban and rural infrastructure	
Capacity Building and Training	Training programs for government officials, educators, healthcare professionals, and community leaders	
	Skill development initiatives for youth and women	
	Workshops and seminars on various thematic areas	
Communication and Outreach	Development of communication materials and campaigns	
	Public awareness programs and events	
	Digital and social media engagement initiatives	

Research and Development	Funding for research projects and studies	
	Innovation grants and technology incubation programs	
	Collaboration with research institutions and academia	
	Data collection and analysis	
Miscellaneous	Contingency funds for unforeseen expenses	
	Administrative and operational expenses	
	Monitoring, evaluation, and reporting	

Mira Bhayandar

IX. Conclusion

In conclusion, the vision for Mira Bhayandar @2047 embodies a holistic approach to development, encompassing key pillars such as education, healthcare, safety, infrastructure, environmental conservation, and women empowerment. This comprehensive vision reflects our unwavering commitment to creating a vibrant and inclusive city where every individual, regardless of gender, can thrive and contribute meaningfully to society.

- **Women Empowerment:** Central to our vision is the empowerment of women, recognizing their invaluable role as catalysts for change and progress. Through targeted initiatives such as education and skill development programs, equal opportunities in employment and entrepreneurship, and awareness campaigns, we seek to break down barriers and create a supportive environment where women can fulfill their potential and lead with confidence.
- **Education and Youth Development:** We envision a future where education is not just a tool for acquiring knowledge but a catalyst for empowerment and innovation. By integrating technology into our curriculum, promoting entrepreneurship among our youth, and reforming education policies to meet the evolving needs of society, we lay the foundation for a generation of critical thinkers and change-makers.
- **Healthcare Initiatives:** Accessible, affordable, and quality healthcare is a fundamental right of every citizen. Through strategic partnerships and targeted initiatives, we are committed to enhancing healthcare infrastructure and services, ensuring that every resident receives the care they deserve.
- **Safe City Initiatives:** Safety and security are paramount for building thriving communities. By investing in community policing, environmental awareness, disaster preparedness, and infrastructure development, we create an environment where residents can live, work, and play without fear.
- **City Branding and Infrastructure:** Mira Bhayandar's unique identity and heritage are our greatest assets. Through city branding efforts and strategic infrastructure development under the Public Works Department, we aim to showcase our cultural richness and create spaces that inspire and connect us all.
- **Environmental Conservation:** As stewards of the environment, we are committed to preserving and protecting our natural resources for future generations. Through eco-friendly practices, renewable energy adoption, and biodiversity conservation, we strive to build a sustainable city that thrives in harmony with nature.
- **Capacity Building and Collaboration:** Empowering our workforce and fostering collaboration across sectors are essential for realizing our vision. By investing in training programs, research, and

innovation, we equip our leaders and professionals with the tools they need to drive meaningful change.

As we look to the future, we extend a heartfelt call to action to all stakeholders – government, private sector, civil society, academia, and the community – to join hands and turn this vision into reality. Together, let us build a future where Mira Bhayandar stands as a shining example of progress, inclusivity, and resilience, inspiring generations to come.

- THE END -

Mira Bhayandar
